Safety Instruction Guide for 38 SPECIAL BRASS

STARLINE 38 SPECIAL BRASS 100/BAG

Introduction

Thank you for choosing Starline Brass, the maker of America's finest straight wall brass. This safety instruction guide is designed to ensure the safe use of our 38 SPECIAL BRASS. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle brass and ammunition with care to avoid accidents.
- Ensure that you are using the correct type of brass for your specific firearm.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep brass out of reach of children and unauthorized individuals.
- Regularly check for any signs of damage or wear on your brass before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use Starline 38 Special Brass in firearms that are specifically designed for this caliber.
- Inspect each piece of brass for any cracks, dents, or deformities before loading.
- Do not exceed the recommended load limits as specified by your firearm manufacturer.
- Wear appropriate eye and ear protection when handling and shooting firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary equipment, including your firearm, reloading tools, and safety gear.
- Ensure that your work area is clean, organized, and free of distractions.

2. Inspection

- Before use, inspect the brass for any signs of damage.
- Check that the brass is clean and free of debris.

3. Loading

- Follow the manufacturer's guidelines for loading your brass.
- Ensure that you are using the appropriate powder and bullet for your load.

4. Firing

- Load the brass into your firearm according to the manufacturer's instructions.
- Always keep the firearm pointed in a safe direction when loading and firing.

5. PostUse

- After firing, clean your brass to remove any residue.
- Store used brass in a designated container for proper disposal or recycling.

Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Recycle used brass when possible to minimize environmental impact.
- Do not discard brass in regular household waste.

Contact Information for Further Support

For any inquiries related to safety or product concerns, please refer to your retailer or the official Starline Brass website for support and additional resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your Starline 38 SPECIAL BRASS. Thank you for your attention to safety!
