# Safety Instruction Guide for DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY

## Introduction

Thank you for choosing the DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY. This product is designed to provide reliable performance when used with Redding sizing dies. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the decap rod assembly for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local regulations regarding the use and disposal of reloading components.
- If you experience any issues or concerns while using the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using this product.
- Ensure that your workspace is clean and free from distractions to prevent accidents.
- Use only compatible cartridges as specified:
  - 223 Remington
  - 22250 Remington
  - 219 Zipper
  - 222 Remington Mag
  - 225 Winchester
  - 224 Weatherby Magnum
  - 219 Donaldson Wasp
  - 22250 Remington Imp 40
  - 223 Rem Imp 40
- Do not attempt to modify or alter the decap rod assembly in any way.
- Always follow the manufacturer's instructions for the operation of your reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading die is securely mounted in your reloading press.
- Remove any existing decap rod assembly from the die.
- Insert the new DECAP ROD ASSEMBLY into the die, ensuring that it is properly seated.
- Tighten any necessary screws or fasteners to secure the assembly in place.

### 2. Usage:

- Place the cartridge to be decapped in the die.
- Operate the reloading press according to the manufacturer's instructions to decap the cartridge.
- After use, inspect the decap rod assembly for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY, please consult the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY. Always prioritize safety and compliance with local regulations when using reloading equipment. Thank you for your attention to these important guidelines.
