# Safety Instruction Guide for 8 PC TORX WRENCH SET BONDHUS

## Introduction

Thank you for choosing the 8 PC Torx Wrench Set by Bondhus. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the wrenches.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to tighten or loosen Torx head screws.
- Always inspect the wrenches for any signs of damage or wear before use. Do not use damaged tools.
- Keep the wrench set out of reach of children to prevent accidental injury.
- Store the wrenches in the provided locking folder to avoid loss and maintain organization.
- Do not use the wrenches with excessive force or leverage, as this may cause breakage or injury.
- Follow all local regulations regarding the disposal of tools and materials.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the wrenches.
- Use the correct size wrench for the specific Torx screw to avoid stripping the screw or damaging the tool.
- Ensure that the wrench is fully seated on the screw before applying force.
- Do not use the wrenches in wet or damp conditions to prevent slipping.
- If the wrench slips off the screw, stop using it immediately and inspect both the wrench and the screw for damage.

## Instructions for Installation and Usage

### 1. Selecting the Right Wrench:

- Identify the size of the Torx screw you are working with (T6, T7, T8, T9, T10, T15, T20, T25).
- Choose the corresponding wrench from the set.

### 2. Using the Wrench:

- Insert the selected wrench into the Torx screw head.
- Turn the wrench clockwise to tighten or counterclockwise to loosen the screw.
- Apply steady and controlled pressure to prevent slipping or damage.

### 3. Storing the Wrench:

- After use, return the wrench to its designated place in the locking folder.
- Ensure the folder is securely closed to prevent loss.

## Disposal Instructions

- Dispose of the wrench set in accordance with local regulations regarding metal tools.
- If the wrenches are no longer usable, consider recycling them at a designated facility.
- Do not dispose of the wrenches in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 8 PC Torx Wrench Set, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Bondhus 8 PC Torx Wrench Set. Always prioritize safety and proper tool usage. Thank you for your attention to these guidelines.
