Safety Instruction Guide for 44 SPECIAL BRASS

Introduction

Thank you for choosing Starline Brass 44 Special Brass. This product is designed for use in handguns and is made with a focus on quality and safety. Please read this safety instruction guide carefully to ensure the safe use and handling of this product.

General Safety Guidelines

- Always handle ammunition and brass with care to prevent accidents.
- Keep this product out of reach of children and unauthorized users.
- Store brass in a cool, dry place to avoid deterioration.
- Inspect the brass before use for any signs of damage or defects.
- Follow all local laws and regulations regarding the use of ammunition.

Specific Safety Precautions for Use

- Use only in firearms specifically designed for 44 Special cartridges.
- Do not exceed the recommended load specifications for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Never point a firearm at anything you do not intend to shoot.
- Ensure the firearm is unloaded when not in use or when cleaning.

Instructions for Installation and Usage

1. Inspect the Brass:

- Check each piece of brass for cracks, dents, or other defects before use.
- Discard any damaged brass immediately.

2. Loading the Brass:

- Follow the manufacturer's instructions for loading your specific firearm.
- Ensure that the brass is seated properly in the chamber.

3. Firing:

- Use the firearm in a safe environment, following all shooting range rules and regulations.
- Maintain control of the firearm at all times.

4. PostFiring:

- After use, allow the firearm to cool down before handling.
- Clean the firearm according to manufacturer guidelines.

Disposal Instructions

- Dispose of used brass in accordance with local regulations.
- Recycle brass whenever possible to minimize environmental impact.
- Do not throw away brass in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 44 Special Brass, please reach out to your local retailer or visit the manufacturer's website for more information.

Note: This guide is intended to provide safety instructions and does not replace the need for proper training in firearm use. Always seek professional instruction if you are unfamiliar with handling firearms.
