Safety Instruction Guide for HANDGUN TAPER CRIMP DIES REDDING TAPER CRIMP DIE 9MM LUGER

Introduction

Thank you for purchasing the HANDGUN TAPER CRIMP DIES REDDING TAPER CRIMP DIE 9MM LUGER. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the die to avoid any potential hazards.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding the use of reloading equipment.
- Always wear appropriate safety gear, including eye protection, when handling or using reloading dies.
- Keep the product out of reach of children and unauthorized users.
- Inspect the die for any damage or defects before use. Do not use if damaged.
- Store the die in a safe, dry place when not in use to prevent rust and corrosion.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion and personal injury.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions when using the taper crimp die.
- Do not exceed the recommended load limits for the 9mm Luger cartridge.
- Ensure that the die is securely attached to the reloading press before use.
- Use only compatible components with the taper crimp die to ensure proper function.
- Avoid distractions while reloading to maintain focus and precision.
- Be cautious of the working area; keep it clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate shell holder for the 9mm Luger cartridge.
- Attach the taper crimp die to the reloading press by following these steps:
 - Loosen the locking ring on the die.
 - Insert the die into the press and adjust to the desired position.
 - Tighten the locking ring to secure the die in place.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Place the cartridge case in the shell holder of the reloading press.
- Operate the press to resize the case and apply the taper crimp:
 - Pull the handle down to engage the die, applying the taper crimp to the case mouth.
 - Check the crimp visually to ensure it is uniform and tight.
- Repeat the process for all cases being reloaded.
- After use, clean the die with a soft cloth to remove any residue.

Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not discard the taper crimp die in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that any packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective reloading experience with the HANDGUN TAPER CRIMP DIES REDDING TAPER CRIMP DIE 9MM LUGER. Always prioritize safety and compliance with applicable laws while enjoying your reloading activities.
