The idea for this platform originated from a writer/customer of ours. The platform is a mounting board for the L.E. Wilson trimmer series that provides storage space for nine (9) case holders and a tapping block for knocking the cases out of the holder. The polyethylene platform has rubber feet, but most of us prefer it c-clamped to the bench.

Safety Instruction Guide for SINCLAIR TRIMMER PLATFORM

Introduction

Thank you for choosing the SINCLAIR TRIMMER PLATFORM. This product is designed to enhance your trimming experience by providing a stable and organized workspace for your L.E. Wilson trimmer series. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, dry, and free of obstructions before using the trimmer platform.
- Keep the platform out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the platform for any signs of damage or wear. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the trimmer.
- Report any unsafe product conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Mounting Stability:** Ensure that the platform is securely clamped to the workbench to prevent movement during use.
- **Avoid Excessive Force:** When knocking cases out of the holder, use gentle taps to avoid damaging the platform or the cases.
- **Proper Storage:** Store the platform in a dry place when not in use to prevent deterioration of materials.
- **Weight Limit:** Do not exceed the recommended weight limit for the platform to maintain stability.
- **Avoid Wet Conditions:** Do not use the platform in wet or damp environments to prevent slipping and accidents.

Instructions for Installation and Usage

1. Installation:

- Place the SINCLAIR TRIMMER PLATFORM on a stable, flat surface.
- Align the platform's rubber feet with the surface to ensure maximum grip.
- If preferred, use Cclamps to secure the platform to the workbench for added stability.

2. Using the Platform:

- Place the L.E. Wilson trimmer on the designated area of the platform.
- Insert up to nine (9) case holders into the designated storage spaces.
- Use the tapping block to gently knock cases out of the holders as needed.
- Always ensure that your hands and other body parts are clear of the trimmer's cutting area during operation.

3. After Use:

- Clean the platform with a dry cloth to remove any debris or residue.
- Store the platform in a safe location away from children and pets.

Disposal Instructions

- Dispose of the SINCLAIR TRIMMER PLATFORM in accordance with local waste disposal regulations.
- If the platform is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the platform in household waste if it can be recycled.
