Safety Instruction Guide for the CARBIDE KIT FOR COMPETITION BUSHING DIE

Introduction

Thank you for choosing the CARBIDE KIT FOR COMPETITION BUSHING DIE by REDDING. This product is designed for precision reloading of the 338 Remington Ultra Magnum and 338 Lapua Mag cartridges. It is important to understand how to use this product safely to ensure optimal performance and prevent accidents. This guide provides essential safety instructions and general guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read the instructions carefully before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Do not attempt to modify or repair the product yourself.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use eye protection when operating the die to prevent injury from debris.
- Ensure that the work area is welllit and free from distractions.
- Do not use the product if you are under the influence of drugs or alcohol.
- Always follow the recommended loading data for the cartridges being used.
- Handle all components with care, as they may have sharp edges.
- Store the product in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before beginning installation.
- Ensure that the work area is clean and organized.

2. Installation

- Carefully unpack the CARBIDE KIT and check for any missing components.
- Follow the specific instructions provided with the kit for installation.
- Ensure that the die is securely mounted in your reloading press.

3. Usage

- Adjust the die according to the specifications for the 338 Remington Ultra Magnum and 338 Lapua Mag cartridges.
- Use appropriate lubrication on the cases before resizing.
- Follow the reloading procedure stepbystep, ensuring that you do not skip any steps.
- Monitor the process closely to ensure that everything is functioning correctly.

4. PostUsage

- Clean the die after use to prevent residue buildup.
- Store the kit in its original packaging to protect it from damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If necessary, contact a professional waste disposal service for guidance.

Contact Information for Further Support

For safety inquiries or additional support regarding the CARBIDE KIT FOR COMPETITION BUSHING DIE, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure safe and effective use of the CARBIDE KIT FOR COMPETITION BUSHING DIE. Thank you for your attention to these important safety measures.
