

MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS

MATCHKING 6.5MM (.264") 140GR HOLLOW POINT BOAT TAIL

100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within \pm 0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 140GR HOLLOW POINT BOAT TAIL 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749004426
- Mfr. No.: 1740
- Ballistic Coefficient (G1): 0.535
- Brand Style: MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): 0.264
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 100
- Delivery weight: 0.93kg
- Shipping height: 38mm
- Shipping width: 64mm
- Shipping length: 91mm
- UPC: 092763017401

MATCHKING 6.5MM (0.264") BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets by Sierra Bullets. These bullets are designed for precision shooting and are recognized for their exceptional accuracy. However, it is important to handle them safely to prevent any accidents or injuries. This guide provides essential safety instructions and guidelines for the safe use of these bullets in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle bullets with care and respect. Treat every bullet as if it is loaded.
- Store bullets in a secure location, out of reach of children and unauthorized persons.
- Use bullets only in firearms that are specifically designed for the caliber of the bullet.
- Always follow the manufacturer's instructions for loading and using these bullets.
- Be aware of your surroundings and ensure that you are in a safe environment when using these bullets.
- Never point a firearm at anything you do not intend to shoot.

Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition and properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Do not use damaged or deformed bullets. Inspect each bullet before use.
- Keep the muzzle of the firearm pointed in a safe direction at all times.
- Avoid using these bullets in wet or damp conditions, as moisture can affect performance.
- Be cautious of the potential for ricochet. Ensure a safe backstop is in place.
- Do not consume alcohol or drugs before or during the use of these bullets.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Carefully load the MATCHKING 6.5MM bullets into the magazine or chamber as per the firearm's specifications.
- Close the action of the firearm securely.

2. Preparing to Shoot:

- Stand in a stable shooting position.
- Grip the firearm firmly and place your finger outside the trigger guard until you are ready to shoot.
- Aim at the target while ensuring the firearm remains pointed in a safe direction.

3. Firing the Bullet:

- When ready, gently squeeze the trigger to fire the bullet.
- Maintain control of the firearm after firing to manage recoil.

4. After Firing:

- Always keep the firearm pointed in a safe direction.

- Open the action and visually inspect the chamber to ensure it is empty before handling or transporting the firearm.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities or waste management services for proper disposal methods.
- Ensure that bullets are stored safely until they can be disposed of properly to prevent unauthorized access.

Contact Information for Further Support

For any safety inquiries, please refer to the appropriate local authorities or safety organizations. Ensure you have access to the latest safety updates and recall information through the EU's Safety Gate platform.

By following these guidelines, you can ensure a safe and enjoyable experience while using MATCHKING 6.5MM (0.264") Bullets. Always prioritize safety and responsibility in all shooting activities.
