CARBIDE KIT FOR COMPETITION BUSHING DIE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CARBIDE KIT FOR COMPETITION BUSHING DIE by REDDING. This product is designed for precision reloading and should be used with care to ensure safety and optimal performance. Please read this safety instruction guide thoroughly before use to understand the proper handling, installation, and maintenance of your product.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including eye protection and hearing protection, when using reloading tools and equipment.
- Store the product in a dry, cool place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- If you notice any defects or abnormalities, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use only with compatible calibers, specifically .243 WSSM (Winchester Super Short Mag).
- Avoid using excessive force during installation or operation to prevent damage to the product or injury to yourself.
- Ensure that the workspace is clean and organized to prevent accidents.
- Do not modify the product in any way, as this can compromise safety and performance.
- Follow all local laws and regulations regarding ammunition and reloading practices.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation process.
- Ensure that your workspace is welllit and free from distractions.

2. Installation:

- Carefully remove the CARBIDE KIT from its packaging.
- Follow the manufacturer's instructions for attaching the bushing die to your reloading press.
- Ensure that the die is securely fastened and properly aligned.

3. Usage:

- Set your reloading press according to the specifications for .243 WSSM ammunition.
- Use the CARBIDE KIT to resize and shape the brass cases as needed.
- Monitor the process closely to ensure consistent results and safety.

4. PostUse:

- Clean the CARBIDE KIT after each use to prevent residue buildup.
- Store the product in its original packaging or a safe container to protect it from damage.

Disposal Instructions

- Dispose of any waste materials in accordance with local regulations.
- Do not throw the CARBIDE KIT in regular household waste.
- Check with local authorities for proper disposal methods for reloading components and tools.

Contact Information for Further Support

For any questions or concerns regarding the CARBIDE KIT FOR COMPETITION BUSHING DIE, please reach out to your retailer or visit the manufacturer's website for additional support and resources.

Thank you for your attention to these safety instructions. Your safe and responsible use of the CARBIDE KIT will ensure a positive reloading experience.
