# Safety Instruction Guide for TRIPLE SHOCK X 25 CALIBER (0.257") FLAT BASE BULLETS

## Introduction

Thank you for choosing the TRIPLE SHOCK X 25 CALIBER (0.257") FLAT BASE BULLETS by BARNES BULLETS. This guide provides important safety information to ensure the safe use and handling of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Always treat all ammunition as if it is live and ready to fire.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or firing ammunition.
- Follow all local laws and regulations regarding the storage, handling, and use of ammunition.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 25 caliber (0.257") ammunition before use.
- Inspect the ammunition for any visible defects or damage before loading.
- Do not attempt to modify or disassemble the bullets.
- Only use the bullets in firearms that are in good working condition and have been properly maintained.
- Avoid using ammunition that has been stored in extreme conditions, such as high heat or humidity.
- Do not use the bullets for any purpose other than their intended use in firearms.
- Always follow the manufacturer's instructions for your specific firearm when loading and firing.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure that the firearm is pointed in a safe direction.
- Open the action of the firearm and ensure it is unloaded.
- Insert the TRIPLE SHOCK X bullets into the magazine or chamber as per the firearm's loading instructions.

### 2. Firing the Bullets:

- Ensure that you are in a safe shooting environment.
- Wear appropriate protective gear.
- Aim at a safe target and ensure that the area is clear of people and obstacles.
- Follow the specific firing instructions provided by the firearm manufacturer.

### 3. PostFiring:

- After firing, ensure the firearm is unloaded and the action is open.
- Inspect the firearm and ammunition for any signs of malfunction or damage.
- Store any unused bullets in their original packaging in a safe location.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or a licensed disposal facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIPLE SHOCK X 25 CALIBER (0.257") FLAT BASE BULLETS, please consult the manufacturer's website or customer service for further assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your TRIPLE SHOCK X 25 CALIBER (0.257") FLAT BASE BULLETS. Always prioritize safety and responsible handling of ammunition.
