

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 6.5 GRENDEL FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 6.5 GRENDEL FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing the Forster Full Length Sizing Die, 6.5MM Grendel. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Always ensure that your workspace is clean and free of obstructions before using the reloading die.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential hazards.
- Keep the reloading area wellventilated to avoid inhaling dust or fumes.
- Store the die in a secure location, out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- Inspect the die for any signs of damage or wear before each use. Do not use a damaged die.
- Ensure that the die is properly secured in your reloading press before beginning the reloading process.
- Use only the recommended cartridges with the Forster Full Length Sizing Die to prevent malfunction.
- Avoid overtightening the die, as this may cause damage to both the die and your reloading press.
- Keep hands and body clear of moving parts during operation to prevent injury.
- Do not attempt to modify the die or use it for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by securely mounting the die in your reloading press according to the manufacturer's instructions.
- Ensure that the Forster Cross Bolt Die Locking Ring is tightened properly to prevent movement during operation.
- Attach the EZ Out Expander button as instructed, ensuring it is positioned correctly to maintain case neck alignment.

### 2. Usage:

- Prepare your cases by cleaning and inspecting them for defects before resizing.
- Insert the case into the die and lower the press handle slowly to begin the resizing process.
- Monitor the operation closely, ensuring that the case neck remains concentric throughout the resizing.
- Once the resizing is complete, carefully remove the case from the die and inspect it for any issues.

## Disposal Instructions

- Dispose of any damaged or unusable dies according to local regulations for hazardous waste.
- Do not dispose of the die in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your Forster Full Length Sizing Die, please refer to the manufacturer's website or contact their customer support.

By following these guidelines, you can ensure the safe and effective use of your Forster Full Length Sizing Die. Always prioritize safety and adhere to local regulations while reloading ammunition. Thank you for your attention to these important safety instructions.
