

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. FULL LENGTH SIZING DIE, 6.5X55MM SWEDISH

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. FULL LENGTH SIZING DIE, 6.5X55MM SWEDISH](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749004812

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing the Forster Full Length Sizing Die, 6.5x55mm Swedish. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always use the Forster Full Length Sizing Die in accordance with the manufacturer's instructions.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Store the die in a dry, secure place when not in use.

## Specific Safety Precautions for Use

- Ensure that the die is compatible with the specific cartridge you are using (6.5x55mm Swedish).
- Do not exceed the recommended loads when reloading ammunition.
- Always use the EZ Out Expander button as directed to maintain case neck concentricity.
- Avoid forcing the die or cases during the resizing process to prevent damage.
- If you encounter resistance while resizing, stop and inspect the die and case for any issues.
- Follow proper procedures for cleaning and maintaining the die to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the Forster Full Length Sizing Die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for optimal resizing of the cartridge.
- Ensure that the die is tightened properly to prevent movement during operation.

### 2. Usage:

- Begin by preparing your cases by cleaning and inspecting them for defects.
- Insert the case into the die and engage the EZ Out Expander button to ensure proper alignment.
- Operate the reloading press smoothly and steadily to resize the case.
- After resizing, remove the case from the die and inspect it for proper dimensions and any signs of damage.
- Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.
- Ensure that any materials used in conjunction with the die, such as lubricants or cleaning agents, are disposed of safely and responsibly.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Forster Full Length Sizing Die, please refer to the manufacturer's contact details provided with the product packaging or visit the official Forster Products website.

## Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the Forster Full Length Sizing Die. Always prioritize safety and refer back to this guide as needed. Thank you for choosing Forster Products, and happy reloading!
