

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. 300 WINCHESTER MAGNUM FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 300 WINCHESTER MAGNUM FULL LENGTH SIZING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing the Forster Full Length Sizing Dies. This guide provides essential safety instructions to ensure the safe and effective use of your reloading dies. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the reloading process and the specific characteristics of your firearm.
- Always use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep your reloading area clean and organized to prevent accidents.
- Store the dies in a safe, dry place when not in use, away from children and pets.
- Regularly inspect your dies for wear or damage before each use.
- Follow all manufacturer instructions and guidelines for your specific reloading setup.

## Specific Safety Precautions for Use

- Always verify that the die is properly installed in your reloading press before beginning the sizing process.
- Ensure that the case is clean and free of debris to avoid damage to the die and ensure proper function.
- Do not exceed the recommended load specifications for your cartridge to prevent dangerous malfunctions.
- When using the EZ Out Expander button, ensure it is correctly positioned to maintain case neck alignment.
- Avoid placing your hands or other body parts near moving parts of the reloading press during operation.
- If you experience any unusual noises or resistance while using the die, stop immediately and inspect the setup.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the Forster Full Length Sizing Die to your reloading press according to the manufacturer's instructions.
- Adjust the die height to ensure it is properly aligned with the shell holder.
- Tighten the Forster Cross Bolt Die Locking Ring to secure the die in place.

### 2. Usage:

- Begin by inserting a clean, empty case into the shell holder of your reloading press.
- Pull the press handle to lower the die onto the case, ensuring that the die is fully engaged with the case.
- Use the EZ Out Expander button to expand the neck of the case, ensuring it remains concentric.
- Once the sizing process is complete, carefully remove the case from the shell holder.

## Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Do not dispose of metal parts in regular household waste. Check for recycling options in your area.
- Follow local guidelines for the disposal of hazardous materials, if applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please refer to the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Forster Full Length Sizing Dies. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing Forster Products, Inc.
