

# AR-15/AR-10 ERGO TACTICAL DELUXE GRIP- SUREGRIP® - ERGO GRIPS SUREGRIP TACTICAL DELUXE GRIP POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Tactical Deluxe is a larger, heavier AR grip with a more pronounced palm swell than the standard Ergo grip. The finger grooves and backstrap areas of this grip are smooth SureGrip®, and the side panels have a finely textured, sticky SureGrip® finish. Grip is impervious to oils and solvents, provides a superior gripping surface when wet or with gloves on, and is ambidextrous. Outstanding grip for shooters with larger hands. Includes mounting hardware. Inner cavity does NOT accommodate A2 style accessories.

# Safety Instruction Guide for AR15/AR10 ERGO Tactical Deluxe Grip

## Introduction

Thank you for choosing the AR15/AR10 ERGO Tactical Deluxe Grip. This product is designed to enhance your shooting experience by providing a superior grip. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe use, installation, and disposal of the grip, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grip is compatible with your firearm before installation.
- Inspect the grip for any visible damage or defects before use. Do not use if damaged.
- Keep the grip out of reach of children and vulnerable individuals.
- Use the grip only for its intended purpose; misuse may lead to accidents.
- Report any unsafe product conditions to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** This grip is designed for AR15 and AR10 models. It does not accommodate A2 style accessories.
- **Grip Surface:** The SureGrip® finish provides excellent traction. Ensure your hands are clean and dry for optimal grip performance.
- **Ambidextrous Design:** This grip is suitable for both right and lefthanded users. Adjust your grip accordingly for comfort and control.
- **Moisture and Solvents:** The grip is impervious to oils and solvents. However, avoid exposing it to harsh chemicals that may degrade the material.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to accidents.

## Instructions for Installation and Usage

1. **Gather Required Tools:** Before starting, ensure you have the necessary tools for installation, including a screwdriver and any included mounting hardware.
2. **Remove Existing Grip:** If replacing an existing grip, carefully remove it from the firearm. Follow the manufacturer's instructions for your specific model.
3. **Prepare the New Grip:** Inspect the new grip for any defects. Ensure that the mounting hardware is included and in good condition.
4. **Install the Grip:**
  - Align the grip with the firearm's lower receiver.
  - Secure the grip using the mounting hardware provided. Ensure it is tightened appropriately but do not overtighten, as this may damage the grip or the firearm.
5. **Check the Fit:** After installation, check that the grip is securely attached and does not wobble. Ensure that it feels comfortable in your hand.
6. **Usage:**
  - Hold the firearm with the installed grip during practice or shooting sessions.
  - Maintain a proper shooting stance and grip to enhance control and accuracy.

## **Disposal Instructions**

- Dispose of the grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it is made from materials that require special handling.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For additional support or inquiries regarding the safety of this product, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you are following the most current safety guidelines and recommendations.
