

BONDHUS® BALLDRIVER® HEX SETS - BONDHUS 13-PIECE STANDARD HEX SCREWDRIVER SET - .050-3/8

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Fixed Blade Sets](#)

These Bondhus Balldriver screwdrivers make working with hex head fasteners much faster and easier than using hex keys. The strong thermoplastic handles have a molded-on rubber comfort grip and are color coded for metric/standard. We have found ourselves putting the hex key sets in the range box and using these screwdrivers on the bench at home.

Safety Instruction Guide for BONDHUS® BALLDRIVER® HEX SETS

Introduction

Thank you for choosing the BONDHUS 13Piece Standard Hex Screwdriver Set .0503/8. This guide provides essential safety instructions to ensure safe use of the product. Please read this document carefully before using the tool.

General Safety Guidelines

- Always use the tool for its intended purpose to avoid accidents or injuries.
- Inspect the tool before each use for any signs of damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Ensure a clean and organized workspace to prevent accidents.
- Wear appropriate personal protective equipment (e.g., safety glasses) when using the tool.
- Follow local regulations regarding tool usage and disposal.

Specific Safety Precautions for Use

- Ensure that the hex screwdriver is securely inserted into the screw before applying force.
- Do not use excessive force; if the screw does not turn easily, assess the situation rather than forcing it.
- Avoid using the tool in wet or damp conditions to prevent slipping.
- Do not use the tool as a pry bar or lever; this can cause damage to the tool and injury to the user.
- Store the tool in a dry place when not in use to prevent rust and damage.
- Do not modify the tool in any way, as this can compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the workspace is clean and free of clutter.
- Gather all necessary tools and materials before starting.

2. Using the Hex Screwdriver:

- Select the appropriate size hex screwdriver for the screw you are working with.
- Insert the hex screwdriver into the screw head, ensuring a snug fit.
- Turn the screwdriver clockwise to tighten and counterclockwise to loosen.
- If resistance is encountered, stop and reassess rather than forcing the tool.

3. After Use:

- Clean the tool with a dry cloth to remove any debris or moisture.
- Store the tool in a designated place to prevent loss or damage.

Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond use, consider recycling materials where applicable.
- Do not dispose of the tool in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For inquiries related to safety or product concerns, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your BONDHUS 13Piece Standard Hex Screwdriver Set. Thank you for your attention to safety!
