

# COMPETITION SHELLHOLDER SETS - #12 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are +.002", +.004", +.006", +.008", and +.010" thicker than normal shellholders (.125" from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

# Competition Shellholder Sets #12 Safety Instructions

## Introduction

Thank you for choosing the Competition Shellholder Sets #12 from Redding. This product is designed to enhance your reloading experience by allowing precise adjustments to your headspace. Please read this safety instruction guide carefully to ensure safe and proper use of the shellholder set.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- Consult the EU contact point for safety inquiries related to this product.

## Specific Safety Precautions for Use

- Always inspect the shellholders before use for any signs of damage or wear.
- Use only the designated shellholders for the specified cartridges: 357 Magnum, 38 Special, 7.62 x 39 mm, 22 PPC, 224 Weatherby Magnum, 38 S&W, 256 Winchester Mag, 22 Remington Jet, 220 Russian, 20 PPC, 6mm PPC, 357 Maximum, and 6mm ARC.
- Ensure that the shellholder is securely attached to the press before use.
- Do not exceed the recommended thickness of shellholders for your specific reloading needs.
- Keep the shellholder set out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate shellholder based on the thickness required for your headspace adjustment.
- Align the shellholder with the reloading press and secure it according to the manufacturer's instructions.
- Ensure that the shellholder is firmly in place before proceeding.

### 2. Usage:

- Place the cartridge case into the shellholder.
- Operate the press according to standard reloading procedures.
- Monitor the process closely and ensure that no obstructions or issues arise during operation.
- After use, remove the cartridge case and inspect the shellholder for any signs of damage.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of shellholders in regular household waste. Instead, take them to a designated recycling facility.
- If you are unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Competition Shellholder Sets #12, please consult your local retailer or check the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the Competition Shellholder Sets #12!
