Safety Instruction Guide for Redding Neck Sizing Die Set 338 Marlin Express

Introduction

Thank you for choosing the Redding Neck Sizing Die Set for 338 Marlin Express. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Store the die set in a dry, secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always work in a wellventilated area to avoid inhaling any dust or fumes.
- Ensure that the work area is clean and organized to prevent accidents.
- Follow all local laws and regulations regarding reloading ammunition.
- Use only compatible cartridges with the Redding Neck Sizing Die Set.
- Do not exceed the recommended load specifications for your ammunition.
- Avoid distractions while using the die set to maintain focus and safety.

Instructions for Installation and Usage

1. Installation of the Neck Sizing Die:

- Remove the die from its packaging and inspect for any damage.
- Secure the neck sizing die into your reloading press as per the manufacturer's instructions.
- Adjust the die to achieve the desired neck tension based on your specific requirements.

2. Using the Neck Sizing Die:

- Insert the cartridge case into the shell holder of the press.
- Raise the ram to engage the neck sizing die with the cartridge case.
- Lower the ram to remove the case from the die.
- Inspect the neck of the case for proper sizing.

3. Installation of the Seating Die:

- Secure the seating die in the reloading press.
- Adjust the seating plug according to the bullet specifications you are using.

4. Using the Seating Die:

- Place a bullet on the top of the cartridge case.
- Raise the ram to seat the bullet into the case.
- Lower the ram and remove the completed cartridge.

5. Crimping (if applicable):

- If using the builtin crimp ring, adjust the die accordingly to apply the desired crimp to the cartridge.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or components in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of reloading materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding Neck Sizing Die Set, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready when seeking support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Redding Neck Sizing Die Set. Always prioritize safety and compliance with local laws and regulations. Happy reloading!
