

# TYPE S BUSHING FULL DIES - REDDING 338 REMINGTON ULTRA MAG BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

# Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 338 REMINGTON ULTRA MAG

## Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES from Redding. This product is designed for fulllength resizing of cartridge cases while maintaining precise control over the case neck. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including safety glasses, when handling reloading equipment and materials.
- Keep the workspace clean and organized to prevent accidents and ensure efficient operation.
- Store all reloading materials, including dies, in a secure location away from children and pets.
- Regularly inspect your equipment for wear and damage. Do not use damaged or worn tools.
- Follow all local regulations and guidelines regarding ammunition reloading and use.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards associated with reloading ammunition, including but not limited to:
  - Risk of injury from improperly handled equipment.
  - Risk of explosion from incorrect powder measurements.
  - Risk of fire from flammable materials.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.
- **Proper Use:**
  - Use only with compatible cartridges as specified in the product details.
  - Ensure the die is securely mounted before use to prevent accidents.
  - Do not attempt to resize cases that are excessively damaged or deformed.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove the bushing and internal parts if you intend to use the die as a body die.
- Insert the die into the reloading press and tighten securely.
- Attach the adjustable decapping rod and set the desired bushing position.

### 2. Usage:

- Place the cartridge case into the shell holder of your reloading press.
- Operate the press to resize the case, ensuring that the die is correctly positioned to maintain control over the case neck.
- Check the resized case for proper dimensions and concentricity.
- Repeat the process for additional cases as needed.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Follow local guidelines for the disposal of hazardous waste.
- Ensure that any damaged dies or tools are disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety or use of this product, please refer to the contact information provided by the manufacturer or retailer.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure the safe and effective use of the TYPE S BUSHING FULL DIES from Redding. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important guidelines.
