

# CARBIDE 3-DIE HANDGUN SETS - REDDING CARBIDE 3-DIE SET 10MM AUTO

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Titanium carbide differs considerably from other carbides, and is the ideal material for resizing cartridge cases. Titanium carbide has the highest hardness of any readily available carbide. The difference is in the microstructure. Viewed under a microscope it appears smooth and rounded, which presents a slippery non-galling surface, ideal for lubeless resizing of cartridges. The Carbide 3-Die set includes the Titanium Carbide sizing die, expander die and bullet seating die with built-in crimp.

## Attributes

- Name: [REDDING CARBIDE 3-DIE SET 10MM AUTO](#)
- Manufacturer: [REDDING](#)
- Product no.: 749006620
- Mfr. No.: 88520

# CARBIDE 3DIE HANDGUN SETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Redding Carbide 3Die Handgun Set for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure you are familiar with the operation and handling of reloading equipment.
- Always work in a wellventilated area to avoid inhalation of dust or fumes.
- Keep your workspace clean and organized to prevent accidents.
- Store all reloading components, including primers, powders, and bullets, in a safe location away from children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling materials.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The use of the Redding Carbide 3Die Set involves handling sharp tools and components that may cause injury.
- The materials used in reloading can be hazardous if not handled properly.

### • Avoiding Hazards:

- Always ensure that your hands are dry when handling dies and components.
- Do not exceed the recommended load specifications for cartridges.
- Avoid using damaged or worn equipment. Inspect all components before use.
- Do not modify or alter any part of the reloading equipment.

### • Age Specific Warnings:

- This product is intended for adult use only. Keep out of reach of children.
- Ensure that any individuals assisting in the reloading process are trained and understand the safety protocols.

## Instructions for Installation and Usage

### • Installation:

- Carefully read the manufacturer's instructions included with the die set.
- Ensure your reloading press is securely mounted and stable before attaching the dies.
- Install the Titanium Carbide sizing die, expander die, and bullet seating die according to the provided instructions.

### • Usage:

- Always follow the reloading data from reputable sources to ensure safe and effective loads.
- Use the sizing die to resize cartridge cases before reloading.

- Use the expander die to prepare cases for bullet seating.
- Use the bullet seating die to seat bullets to the desired depth while ensuring a proper crimp.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not discard hazardous materials in regular trash. Consult your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding safety, product usage, or to report an unsafe condition, please reach out to the designated EU contact point provided with your product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Redding Carbide 3Die Handgun Set. Always prioritize safety and take the necessary precautions to protect yourself and others. Thank you for choosing our product, and happy reloading!
