

CARBIDE 3-DIE HANDGUN SETS - REDDING CARBIDE 3-DIE SET 9MM LUGER

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Titanium carbide differs considerably from other carbides, and is the ideal material for resizing cartridge cases. Titanium carbide has the highest hardness of any readily available carbide. The difference is in the microstructure. Viewed under a microscope it appears smooth and rounded, which presents a slippery non-galling surface, ideal for lubeless resizing of cartridges. The Carbide 3-Die set includes the Titanium Carbide sizing die, expander die and bullet seating die with built-in crimp.

Attributes

- Name: [REDDING CARBIDE 3-DIE SET 9MM LUGER](#)
- Manufacturer: [REDDING](#)

CARBIDE 3DIE HANDGUN SETS REDDING CARBIDE 3DIE SET 9MM LUGER Safety Instructions

Introduction

Thank you for choosing the Redding Carbide 3Die Set for 9mm Luger. This product is designed for resizing cartridge cases using advanced titanium carbide technology. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product.
- Always wear appropriate safety gear, such as safety glasses, when using this product.
- Store the product in a dry, secure location away from direct sunlight and moisture.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the die set if it appears damaged or worn.
- Always handle the dies with care to prevent injury.
- Avoid using excessive force when resizing cartridges.
- Ensure that the work area is welllit and free of hazards.
- Use the appropriate lubricant if necessary, although this set is designed for lubeless resizing.
- Follow all manufacturer instructions for your reloading equipment to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is securely mounted and stable.
- Install the Titanium Carbide sizing die into the press according to the manufacturer's instructions.
- Adjust the die to the correct position for resizing cartridges.

2. Usage:

- Prepare your cartridges for resizing by ensuring they are clean and free of debris.
- Insert the cartridge into the sizing die and operate the press smoothly.
- After resizing, inspect the cartridge for any signs of damage or deformation.
- Use the expander die to expand the case mouth if necessary.
- Finally, use the bullet seating die to seat the bullet and crimp as required.

Disposal Instructions

- Dispose of any damaged or worn parts according to local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for metal components.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Redding Carbide 3Die Set, please consult

your local retailer or manufacturer's website for additional support and information.

By following these guidelines, you can ensure a safe and effective reloading experience with your Redding Carbide 3Die Set for 9mm Luger. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
