Safety Instruction Guide for the Redding 6mm BR Remington Instant Indicator

Introduction

Thank you for choosing the Redding 6mm BR Remington Instant Indicator. This precision tool is designed to assist hand loaders in achieving optimal headspace and bullet seating depth. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** Always ensure safe use of the Instant Indicator. Follow all instructions to minimize risks associated with the tool.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect the product. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, verify the seller's compliance with safety requirements.
- **Special Consumer Focus:** Keep the tool out of reach of children and vulnerable individuals. This product is not intended for use by those under the age of 18.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided by your retailer.
- **Rapid Alerts:** Be aware of updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the Instant Indicator, read all accompanying instructions carefully.
- **Inspect the Tool:** Check the Instant Indicator for any signs of damage or wear before each use. Do not use if damaged.
- **Proper Handling:** Handle the tool with care. Avoid dropping or mishandling it, as this may affect its precision.
- **Use in a Safe Environment:** Ensure you are in a well-lit, clean area while using the tool to avoid accidents.
- **Wear Appropriate Safety Gear:** Use safety glasses and appropriate gloves while handling ammunition and during the loading process.
- **Keep Away from Children:** Store the tool out of reach of children and pets to prevent accidents.

Instructions for Installation and Usage

1. Setup:

- Remove the Instant Indicator from its packaging.
- Ensure that all components (bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and dial indicator) are included.

2. Using the Tool:

- **Sorting Bullets:** Use the Instant Indicator to compare bullets for uniformity.
- **Sorting Cases:** Sort fired cases from two or more rifles to ensure consistency.
- **Sizing Die Setup:** Set up the sizing die correctly using the tool to achieve optimal performance.
- **Headspace Measurement:** Compare sized cases to fired cases to determine headspace accurately.
- **Checking Depths:** Use the tool to check bullet seating depth uniformity.
- **Trimming Cases:** Determine when cases need trimming and check trim length uniformity.
- **Loading Ammunition:** Ensure loaded ammunition is uniform by using the Instant Indicator.

3. Maintenance:

- Keep the Instant Indicator clean and free from debris after each use.
- Store the tool in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the Instant Indicator and any packaging materials in accordance with local regulations.
- Do not dispose of the tool in household waste. Instead, use designated recycling or disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the Redding 6mm BR Remington Instant Indicator, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy using your Redding Instant Indicator for precise and efficient hand loading.
