

# TRIM MATE CASE PREP CENTER 110 V

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

Case preparation is five times easier and faster with the Trim Mate™ Case Prep Center. Five gear-driven rotating heads turn the tedious task of chamfering, deburring, primer pocket cleaning, military crimp removal and flash hole deburring into child's play. The center works great with the Trim Pro® Power Case Trimmer, so reloaders can do case prep and trimming at the same time. Two stationary positions hold case neck brushes, and a cupped area holds dry case neck lube. The Prep Center includes large and small primer pocket brushes, inside chamfering and outside deburring tools, medium and small case neck brushes, and a packet of dry case neck lube. Accessories such as Primer Pocket Uniformers are manufactured with carbide cutters, and serve to true the primer pocket wall and bottom. Military Crimp Removers are made with hardened steel cutters and ream out the crimp ring found in military cases. Five gear-driven rotating heads chamfer, debur case mouth, clean primer pocket, remove military crimp and debur flash hole. RCBS TOOLS ENSURE YOUR CASES ARE AS CONSISTENT AS POSSIBLE TO GET YOU THE BEST RESULTS. It's all about consistent case preparation when it comes to crafting the finest handloads possible. RCBS has numerous tools to help you clean, measure, lubricate, trim, chamfer, and deburr your cases to perfection. # Safety Instruction Guide for TRIM MATE CASE PREP CENTER 110 V

## Introduction

Thank you for choosing the TRIM MATE CASE PREP CENTER 110 V. This product is designed to make case preparation easier and faster for reloaders. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product or use it for purposes other than those intended.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- In case of any malfunction or unusual operation, stop using the product immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- **Electrical Safety:**
  - Ensure the product is connected to a power source that matches the specifications.
  - Do not operate the product with wet hands or in damp conditions.
- **Moving Parts:**
  - Keep hands and loose clothing away from moving parts during operation to prevent injury.
- **Dust and Debris:**
  - Use in a wellventilated area to minimize exposure to dust and debris generated during use.
- **Chemical Exposure:**
  - Use only the recommended dry case neck lube provided with the product. Avoid contact with skin and eyes.
- **Tool Handling:**
  - Handle all tools, such as brushes and deburring tools, with care to avoid cuts or punctures.

## Instructions for Installation and Usage

### 1. Installation:

- Place the TRIM MATE CASE PREP CENTER on a stable, flat surface.
- Ensure that the power cord is routed safely to avoid tripping hazards.
- Connect the product to a suitable power outlet (110 V).

### 2. Usage:

- Prepare your cases by ensuring they are clean and free of any obstructions.
- Select the appropriate tool for your task:
  - Use the large or small primer pocket brushes for cleaning primer pockets.
  - Use the inside chamfering tool for case mouth preparation.
  - Use the outside deburring tool for smoothing the case mouth edges.
- Insert the cases into the designated area and activate the rotating heads as per the instructions.
- Maintain a steady pace and avoid forcing the cases into the tools.
- After use, unplug the product from the power source.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of electrical components in regular waste.
- Consider recycling options for metal and plastic parts where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIM MATE CASE PREP CENTER 110 V, please refer to the manufacturer's official website or customer support channels.

By following these safety instructions, you can ensure a safer and more effective experience with your TRIM MATE CASE PREP CENTER 110 V. Thank you for prioritizing safety!
