

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS MATCHKING 6.5MM (.264") 107GR HOLLOW POINT BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

## Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 107GR HOLLOW POINT BOAT TAIL 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749007921
- Mfr. No.: 1715C
- Ballistic Coefficient (G1): 0.430
- Brand Style: MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm, 264 Caliber
- Diameter (in): 0.264
- Grain: 107
- Sectional Density: 0.219
- Quantity: 500
- Delivery weight: 4.491kg
- Shipping height: 81mm
- Shipping width: 112mm
- Shipping length: 147mm
- UPC: 092763517154

# **MATCHKING 6.5MM (0.264") BULLETS SIERRA BULLETS MATCHKING 6.5MM (.264") 107GR HOLLOW POINT BOAT TAIL 500/BOX Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MATCHKING 6.5MM (.264") 107GR Hollow Point Boat Tail Bullets. This guide provides essential safety information to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that you are familiar with the safe handling and usage of ammunition before using this product.
- Store all bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Always treat bullets as if they are loaded.
- Use appropriate protective gear, including safety glasses and hearing protection, when handling or shooting ammunition.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

### **• Hazard Identification:**

- The bullets are designed for target shooting and are not recommended for hunting applications.
- Improper handling or usage can lead to serious injury or death.

### **• Avoiding Hazards:**

- Do not use the bullets if they are damaged or show signs of corrosion.
- Ensure that your firearm is compatible with 6.5mm (.264") bullets.
- Follow the manufacturer's instructions for loading and firing.
- Never exceed the recommended load data for your firearm.

### **• Age Restrictions:**

- This product is intended for use by individuals aged 18 and older.
- Ensure that minors are supervised by a responsible adult when handling or using ammunition.

## **Instructions for Installation and Usage**

### **• Loading the Bullets:**

- Use a quality reloading press and follow the manufacturer's guidelines for reloading.
- Verify that the powder and primer used are suitable for 6.5mm bullets.
- Ensure that all components are clean and free of debris.

### **• Firing the Bullets:**

- Always use the ammunition in a properly functioning firearm that is designed for 6.5mm

cartridges.

- Check the firearm for obstructions before loading.
- Follow all safety protocols for shooting, including maintaining a safe distance from bystanders and ensuring a clear shooting range.

- **PostUse Safety:**

- After shooting, clean your firearm according to the manufacturer's instructions.
- Dispose of any misfires or damaged ammunition according to local regulations.

## **Disposal Instructions**

- Dispose of unused or damaged bullets in accordance with local laws and regulations.
- Do not discard bullets in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the MATCHKING 6.5MM (.264") Bullets, please reach out to the designated contact point provided with your purchase. Ensure you have the product details available for reference.

By following these guidelines, you can help ensure a safe and enjoyable experience with your MATCHKING 6.5MM (.264") Bullets. Thank you for your attention to safety, and enjoy your shooting experience responsibly.
