

# MATCHKING 6.5MM (0.264") BULLETS - SIERRA BULLETS MATCHKING 6.5MM (.264") 140GR HOLLOW POINT BOAT TAIL 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

## Attributes

- Name: [SIERRA BULLETS MATCHKING 6.5MM \(.264"\) 140GR HOLLOW POINT BOAT TAIL 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749007927
- Mfr. No.: 1740C
- Ballistic Coefficient (G1): 0.535
- Brand Style: MatchKing
- Bullet Style: Hollow Point Boat Tail (HPBT)
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): -
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 500
- Delivery weight: 4.491kg
- Shipping height: 81mm
- Shipping width: 112mm
- Shipping length: 147mm
- UPC: 092763517406

# MATCHKING 6.5MM Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets by Sierra Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide carefully before using the bullets.

## General Safety Guidelines

- Ensure safe handling and storage of all ammunition and components.
- Always treat every bullet as if it is loaded.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in accordance with local laws and regulations.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Bullets are designed for use in firearms and can cause serious injury or death if misused.
- Improper storage can lead to accidental discharge or degradation of product quality.

- **Avoiding Hazards:**

- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Do not use damaged or deformed bullets.
- Ensure that your firearm is in proper working order before use.
- Follow the manufacturer's guidelines for loading and firing ammunition.
- Never attempt to modify or alter the bullets in any way.

- **Age Restrictions:**

- This product is intended for use by adults only. Ensure that minors are supervised by a responsible adult when handling bullets.

## Instructions for Installation and Usage

- Before loading, ensure that your firearm is unloaded and pointed in a safe direction.

- **Follow these steps for safe loading:**

1. Verify that your firearm is compatible with 6.5MM (0.264") bullets.
2. Carefully load bullets into the magazine or chamber according to the firearm's manual.
3. Confirm that the firearm is in a safe condition before firing.

- **When firing:**

- Always maintain a proper shooting stance and grip.
- Aim at a designated target and ensure a clear line of fire.
- Be aware of potential ricochet and ensure a proper backstop.

- **After use:**

- Clean your firearm according to the manufacturer's instructions to maintain performance and safety.
- Store unused bullets safely and securely.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries, please consult your local authorities or the appropriate regulatory body in your area. Always stay informed about product recalls and safety updates through official channels.

Thank you for your attention to these safety instructions. Your safety is our priority.
