# **Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 6MM/22250 BUSHING NECK DIE SET**

## **Introduction**

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 6MM/22250 BUSHING NECK DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the die set.

## **General Safety Guidelines**

- Ensure that all safety precautions are followed during the use of this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Do not use the die set for any purpose other than intended.
- Regularly inspect the die set for signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## **Specific Safety Precautions for Use**

- **Hazard Identification:**

- Risk of injury from sharp edges and moving parts.
- Potential for accidental discharge of ammunition.
- Risk of exposure to lead and other hazardous materials during reloading.

- **Instructions for Avoiding Hazards:**

- Always ensure the firearm is unloaded before using the die set.
- Use the die set in a wellventilated area to minimize inhalation of any dust or particles.
- Do not exceed the recommended load specifications for your ammunition.
- Keep your workspace clean and organized to prevent accidents.

- **Age and Audience Specific Warnings:**

- This product is intended for use by individuals aged 18 years and older.
- Ensure that inexperienced users are supervised by a knowledgeable individual when using the die set.

## **Instructions for Installation and Usage**

- **Installation:**

1. Remove the die set from the packaging and inspect for any damage.
2. Secure the Type S Bushing Neck Die in your reloading press according to the manufacturer's instructions.
3. Attach the Body Die in the same manner, ensuring both dies are properly aligned.

- **Usage:**

1. Adjust the bushing neck die to achieve the desired neck tension.
2. Insert the cartridge case into the die and operate the reloading press to resize the case.
3. Repeat the process as necessary for each case.
4. Follow proper reloading procedures for priming and charging the case with powder.
5. Always doublecheck your work and ensure each round is loaded safely.

## Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not throw away reloading materials in regular trash; contact your local waste management authority for proper disposal methods.
- Ensure that any lead or hazardous materials are handled according to safety guidelines to prevent environmental contamination.

## Contact Information for Further Support

For any questions regarding the safety and use of the TYPE S BUSHING NECK DIE SETS REDDING 6MM/22250 BUSHING NECK DIE SET, please consult the manufacturer's website or contact their customer support for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your TYPE S BUSHING NECK DIE SETS REDDING 6MM/22250 BUSHING NECK DIE SET. Always prioritize safety and compliance with local laws to enjoy the reloading hobby responsibly.
