

# COMPETITION BUSHING NECK DIE SETS - REDDING 30-06 SPRINGFIELD COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 30-06 Sprgrfld

# Redding Competition Bushing Neck Die Set Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all instructions before use.

## General Safety Guidelines

- Ensure safe use of the Redding Competition Bushing Neck Die Set by following all instructions carefully.
- Be aware of potential hazards associated with reloading equipment and take necessary precautions.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates or recalls related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Ensure that your workspace is clean, organized, and free from distractions.
- Do not exceed recommended load limits for the 3006 Springfield cartridge.
- Inspect the die set before each use for any signs of damage or wear.
- Avoid using the die set if you are tired, under the influence of medication, or distracted.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Carefully unpack the Redding Competition Bushing Neck Die Set.
- Follow the manufacturer's instructions for installing the die set onto your reloading press.

### 2. Usage:

- Begin by selecting the appropriate bushing for your specific needs.
- Adjust the die according to the manufacturer's guidelines to achieve the desired neck tension.
- Use only highquality components and materials when reloading.
- Regularly clean and maintain the die set to ensure optimal performance.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Consider recycling options for metal and plastic components where available.

## Contact Information for Further Support

For further assistance or inquiries regarding the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact resources. It is essential to reach out for any safety concerns or productrelated questions.

By following these guidelines, you can ensure a safer reloading experience with the Redding Competition Bushing Neck Die Set. Always prioritize safety and remain informed about best practices. Thank you for your attention to these important safety instructions.
