

# SINGLE POINT CUT RIFLED BARREL BLANKS - BARTLEIN BARRELS 6MM 1-13.5" TWIST 29" LIGHT VARMINT BARREL BLANK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Blanks](#)

Bartlein is a barrel maker owned and operated by shooters who have been involved in barrel making for many years. They built state-of-the-art cut rifling machines which Bartlein says can hold uniform twist rates to the 4th decimal point. Several nationally known benchrest shooters shoot Bartlein barrels. Bartlein Barrels only uses single point cut style rifling, no buttong rifling and no broach cutting. All barrels are prelapped/honed before rifling and finish lapped after rifling.

# Safety Instruction Guide for Bartlein Barrels Single Point Cut Rifled Barrel Blanks

## Introduction

Thank you for purchasing the Bartlein Barrels Single Point Cut Rifled Barrel Blank. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the barrel blank is used only by qualified individuals who are familiar with firearms and gunsmithing.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the barrel blank.
- Keep the barrel blank out of the reach of children and unauthorized individuals.
- Inspect the barrel blank for any visible defects before use. Do not use if damaged.
- Follow all local, state, and national laws regarding the ownership and use of firearms and firearm components.
- Always adhere to the manufacturer's specifications and guidelines for installation and usage.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Use of the barrel blank with incompatible components may result in dangerous conditions.
- **Instructions to Avoid Hazards:**
  - Always consult a qualified gunsmith for installation if you are not experienced.
  - Verify compatibility with your firearm before attempting to install the barrel blank.
  - Do not exceed the recommended caliber specifications when using the barrel blank.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning the installation.
- Ensure you are in a wellventilated and safe working environment.

### 2. Installation Steps:

- Remove any existing barrel from the firearm according to the manufacturer's instructions.
- Clean the receiver and ensure it is free of debris and obstructions.
- Carefully align the Bartlein barrel blank with the receiver, ensuring it is seated properly.
- Secure the barrel blank using the appropriate fasteners and tools, following the manufacturer's torque specifications.
- Check for proper alignment and function before proceeding to the next step.

### **3. Usage:**

- Once installed, conduct a thorough inspection of the firearm to ensure everything is secure and functioning as intended.
- Test fire the firearm in a safe and controlled environment, adhering to all firearm safety protocols.
- Monitor the firearm for any signs of malfunction or unusual behavior during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel blank is no longer usable, contact a qualified firearms disposal service to ensure it is disposed of safely and legally.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Bartlein Barrels Single Point Cut Rifled Barrel Blank, please refer to the manufacturer's contact information provided with your product.

Thank you for choosing Bartlein Barrels. Your safety is our priority.
