Dozen Pack Bronze Rifle Brushes Safety Instructions

Introduction

Thank you for choosing the Dozen Pack Bronze Rifle Brushes by Sinclair International. These brushes are designed for cleaning and maintaining your rifle bore. Safety is our priority, and we want to ensure that you use this product correctly and safely. Please read this guide carefully to understand the safety precautions, usage instructions, and disposal methods associated with this product.

General Safety Guidelines

- Always handle brushes with care to avoid injury.
- Keep brushes out of reach of children and pets.
- Use brushes only for their intended purpose—cleaning rifle bores.
- Ensure that your workspace is clean and organized to prevent accidents.
- Inspect brushes for damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance.

Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris while cleaning.
- Use gloves to protect your hands from cleaning solvents and chemicals.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid using excessive force when brushing to prevent damage to the bore.
- Do not leave brushes unattended while in use.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the bronze rifle brush, cleaning solvent, and a cleaning rod.

2. Attaching the Brush

- Attach the bronze rifle brush to the cleaning rod by screwing it onto the 832M thread.
- Ensure it is securely fastened before use.

3. Cleaning the Bore

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore from the chamber end, if possible.
- Use a smooth, gentle motion to push the brush through the bore and then pull it back out.
- Repeat this process several times to ensure thorough cleaning.

4. PostCleaning

- After cleaning, inspect the brush for wear and tear.
- Clean the brush with solvent and store it in a dry place.

Disposal Instructions

- Dispose of any used brushes in accordance with local regulations.
- Do not dispose of brushes in regular household waste if they are contaminated with cleaning chemicals.
- Check with local waste management for proper disposal methods of hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the contact information provided by the retailer or manufacturer. Always ensure that you have access to support for any questions or concerns about the product.

By following these guidelines, you can ensure a safe and effective cleaning process for your rifle. Thank you for choosing Sinclair International products.
