Safety Instruction Guide for Dozen Pack Bronze Rifle Brushes

Introduction

Thank you for choosing the Dozen Pack Bronze Rifle Brushes from Sinclair International. These brushes are designed for effective cleaning of rifle bores, specifically for .375 caliber firearms. This safety instruction guide provides essential information to ensure safe and effective use of the product. Please read this guide carefully before using the brushes.

General Safety Guidelines

- Always handle cleaning brushes with care to avoid injury.
- Keep brushes out of reach of children and pets.
- Use the brushes only for their intended purpose; do not use them for any other application.
- Inspect brushes for damage before each use. Do not use damaged brushes.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before starting the cleaning process.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using cleaning products and tools.
- Avoid using excessive force when inserting or removing the brush from the bore to prevent damage to the firearm.
- Store brushes in a cool, dry place away from direct sunlight and moisture to maintain their integrity.
- Dispose of used brushes responsibly, following local regulations for hazardous waste if applicable.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary materials, including the bronze rifle brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the bronze rifle brush to the cleaning rod by screwing it into the 832M threaded end.
- Ensure that the brush is securely attached before proceeding.

3. Usage:

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore from the chamber end, moving it slowly and steadily through the barrel.
- Pull the brush back out of the bore without twisting to avoid damaging the rifling.
- Repeat this process as needed, usually 35 times, depending on the level of fouling.
- After cleaning, use a dry patch to remove any remaining solvent and debris from the bore.

4. PostUsage:

- Clean the bronze brush with solvent after use, and allow it to dry completely before storage.
- Store the brushes in their original packaging or a dedicated storage container.

Disposal Instructions

- Dispose of used brushes in accordance with local waste disposal regulations.
- If the brushes are damaged or worn out, consider recycling options if available.
- Do not dispose of brushes in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details on hand for efficient assistance.

By following these safety instructions, you can ensure a safe and effective cleaning process for your .375 caliber firearms using the Dozen Pack Bronze Rifle Brushes. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
