Safety Instruction Guide for Dozen Pack Bronze Pistol Brushes

Introduction

Thank you for choosing the Dozen Pack Bronze Pistol Brushes from Sinclair International. These brushes are designed for cleaning and maintaining your firearms. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle brushes with care to avoid injury.
- Keep brushes out of reach of children and unauthorized users.
- Inspect brushes for damage before each use. Do not use damaged brushes.
- Use the brushes only for their intended purpose, which is cleaning firearms.
- Store brushes in a safe, dry place when not in use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Always point the firearm in a safe direction while cleaning.
- Wear safety goggles to protect your eyes from debris.
- Use gloves to protect your hands from sharp edges and cleaning solvents.
- Avoid using excessive force when brushing to prevent damage to the firearm or the brush.
- Do not use the brushes on firearms that are not compatible with the specified caliber.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies including the bronze pistol brushes.

2. Using the Brushes:

- Attach the brush to a cleaning rod compatible with the 832M thread.
- Insert the brush into the barrel of the firearm.
- Gently push and pull the brush through the barrel several times to remove fouling.
- After use, clean the brush with solvent and allow it to dry.

3. PostCleaning:

- Inspect the firearm to ensure it is clean and functioning properly.
- Store the brushes in a safe location.

Disposal Instructions

- Dispose of any damaged brushes in accordance with local regulations.
- Do not dispose of brushes in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the product packaging for contact details or visit the manufacturer's website.

Regulatory Compliance

This product complies with the EU General Product Safety Regulation (GPSR). Please be aware of the following: * Potential hazards include injury from improper use or handling of the brushes. * Follow all instructions to minimize risks. * This product is not intended for use by children or individuals who may not understand the risks involved.

Reporting Unsafe Products

If you encounter any unsafe products or accidents, please report them to the relevant authorities. You can also check for recall updates on the EU's Safety Gate platform.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
