# Safety Instruction Guide for Dozen Pack Bronze Pistol Brushes

## Introduction

Thank you for choosing the Dozen Pack Bronze Pistol Brushes from Sinclair International. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to avoid any potential hazards.

## General Safety Guidelines

- Always use the brushes for their intended purpose, which is cleaning pistol barrels.
- Keep the brushes out of reach of children and pets to prevent accidental injury.
- Inspect the brushes before each use to ensure they are in good condition. Do not use damaged brushes.
- Use appropriate personal protective equipment (PPE) such as gloves and safety glasses when cleaning firearms.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Caliber Compatibility: Ensure that the brushes are suitable for your firearm's caliber:
  - 44 Caliber (.429.430)
  - 45 Caliber (.451.454)
- Avoid using excessive force when inserting or removing brushes to prevent damage to the firearm.
- Do not leave brushes in the barrel for extended periods, as this may cause damage.
- Ensure that the firearm is unloaded and in a safe condition before cleaning.
- Do not use the brushes with any cleaning solvents or chemicals that are not compatible with the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bronze brushes, cleaning rod, and appropriate cleaning solvent.

### 2. Attaching the Brush:

- Select the appropriate caliber brush for your firearm.
- Attach the brush to the cleaning rod by screwing it into the 832M threaded end.

### 3. Cleaning Process:

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the barrel from the breech (rear) end, if applicable.
- Gently push the brush through the barrel, using a twisting motion to ensure thorough cleaning.
- Pull the brush back out through the breech end, ensuring not to pull it back through the muzzle.

### 4. PostCleaning:

- After cleaning, inspect the brush for wear and tear. Replace if necessary.
- Clean the firearm according to the manufacturer's instructions.

## **Disposal Instructions**

- Dispose of used brushes in accordance with local regulations regarding hazardous waste.
- Do not dispose of brushes in regular household waste if they are contaminated with cleaning solvents or chemicals.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Dozen Pack Bronze Pistol Brushes, please contact your local distributor or visit the manufacturer's website for assistance.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Dozen Pack Bronze Pistol Brushes. Thank you for your attention to safety!
