

458 WINCHESTER MAGNUM BRASS CASE - 458 WINCHESTER MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Safety Instruction Guide for 458 Winchester Magnum Brass Case

Introduction

Thank you for choosing the 458 Winchester Magnum Brass Case from Hornady. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure safe handling of the brass cases at all times.
- Keep the brass cases out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) when handling ammunition components.
- Regularly check for product recalls and updates through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the brass cases in firearms that are specifically designed for the 458 Winchester Magnum cartridge.
- Inspect the brass cases for any signs of damage or defects before use. Do not use any damaged cases.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Do not exceed the recommended load specifications when reloading ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

Instructions for Installation and Usage

• Installation of Brass Cases:

1. Ensure that your workspace is clean and free from distractions.
2. Gather all necessary tools and equipment for reloading, including a reloading press, dies, and safety gear.
3. Carefully insert the brass case into the reloading press as per the manufacturer's instructions.
4. Follow the reloading procedure specific to the 458 Winchester Magnum cartridge, ensuring proper bullet seating and crimping.

• Usage of Brass Cases:

1. After loading, visually inspect each cartridge to ensure proper assembly.
2. Store loaded cartridges in a secure and designated location.
3. When ready to shoot, always handle firearms safely and follow all standard firearm safety rules.
4. Dispose of any unused or damaged brass cases according to local regulations.

Disposal Instructions

- Dispose of used brass cases responsibly. Many shooting ranges and local recycling centers accept spent brass.
- Do not throw brass cases in regular trash.
- Follow local regulations for the disposal of ammunition components.

Contact Information for Further Support

For any questions or concerns regarding the 458 Winchester Magnum Brass Case, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for further assistance.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Hornady 458 Winchester Magnum Brass Cases. Thank you for your attention to these important safety guidelines.
