

6.8MM REMINGTON SPC BRASS CASE - 6.8MM REMINGTON SPC BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Safety Instruction Guide for 6.8MM Remington SPC Brass Case

Introduction

Thank you for choosing the 6.8MM Remington SPC Brass Case by Hornady. This product is designed for precision shooting and is made with highquality materials to ensure optimal performance. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat all ammunition components as if they are live.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Keep brass cases out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE) when handling brass cases, including safety glasses and gloves.
- Ensure that you are familiar with the laws and regulations governing the use of ammunition components in your area.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling of brass cases can lead to accidents or injuries.
 - Use of defective or damaged brass may cause firearm malfunctions.
- **Avoiding Hazards:**
 - Inspect brass cases regularly for signs of wear, damage, or corrosion.
 - Do not use brass cases that have been previously reloaded beyond their recommended limits.
 - Ensure that your firearm is compatible with 6.8MM Remington SPC brass before use.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 and older.
 - Ensure that younger users are supervised by a responsible adult when handling brass cases.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your work area is clean and organized before starting.
 - Gather all necessary tools and components, including your firearm, powder, primers, and bullets.
 - Follow the manufacturer's instructions for assembling your ammunition, ensuring that you use the correct components for the 6.8MM Remington SPC caliber.
- **Usage:**
 - Load brass cases into your firearm according to the manufacturer's specifications.
 - Always check that your firearm is in good working condition before loading and firing.
 - When firing, maintain a safe distance from others and ensure that you are in a designated shooting area.
 - Follow all local laws and regulations regarding the use of firearms and ammunition.

Disposal Instructions

- Dispose of empty brass cases responsibly.
- Check local regulations for recycling or disposal methods for brass cases.
- Do not dispose of brass cases in regular household waste.
- If you are unsure of how to dispose of your brass cases, contact a local recycling center or firearms dealer for guidance.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the 6.8MM Remington SPC Brass Case, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 6.8MM Remington SPC Brass Case. Thank you for your attention to safety.
