Safety Instructions for NECK TURNING HANDLES

SINCLAIR INTERNATIONAL NECK TURNING HANDLE, LARGE, 3550 CALIBER

Introduction

Thank you for choosing the NECK TURNING HANDLE from Sinclair International. This product is designed for precision neck turning in firearms reloading, specifically for large calibers ranging from .338 Lapua to BMG. To ensure your safety and the safety of others while using this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the neck turning handle in a wellventilated area.
- Keep the work area clean and free of clutter to avoid accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Do not allow children or unauthorized persons to use this product.
- Be aware of your surroundings and ensure that no one is in the line of fire when using this product.

Specific Safety Precautions for Use

- Ensure that the neck turning handle is securely attached to the case before starting the turning process.
- Do not exceed the recommended torque specifications when using the handle.
- Be cautious of sharp edges when handling the neck turning handle and cases.
- Do not use the neck turning handle for any purpose other than its intended use.
- If you notice any damage or malfunction in the neck turning handle, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Begin by selecting the appropriate caliber case for use with the neck turning handle.
- Align the neck turning handle with the case neck and ensure it fits snugly.
- Secure the handle in place by tightening the locking mechanism as per the manufacturer's instructions.

2. Usage:

- Hold the neck turning handle firmly with one hand while rotating the handle with the other hand.
- Apply steady pressure while turning to achieve the desired neck thickness.
- Monitor the process closely to prevent overturning or damage to the case.
- After completing the neck turning, carefully remove the handle from the case.

Disposal Instructions

- Dispose of the neck turning handle in accordance with local regulations.
- If the product is no longer usable, consider recycling it if possible, or dispose of it in a safe manner to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the NECK TURNING HANDLE, please refer to the manufacturer's website or contact their customer service for assistance.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience while using the NECK TURNING HANDLE. Always stay informed about product recalls and safety updates through the appropriate channels. Thank you for your attention to safety.
