# Safety Instruction Guide for Lyman Universal Trimmer w/ 9 Pilot MultiPak

## Introduction

Thank you for choosing the Lyman Universal Trimmer with 9 Pilot MultiPak. This product is designed to provide you with efficient and effective trimming of cases. To ensure your safety and the proper use of this product, please read the following safety instructions carefully before use.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep this trimmer out of reach of children and vulnerable individuals.
- Inspect the trimmer before each use for any signs of damage or wear.
- Do not use the trimmer if it appears damaged or is not functioning properly.
- Ensure a clean and organized workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the trimmer.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the trimmer.
- Follow all local regulations regarding the use and disposal of tools and equipment.

## Specific Safety Precautions for Use

- Ensure the trimmer is securely mounted or held in place before use to prevent movement.
- Do not place your fingers near the cutting area while the trimmer is in operation.
- Use only the specified pilots included with the trimmer to avoid compatibility issues.
- Do not attempt to modify or alter the trimmer in any way.
- Always turn off and unplug the trimmer when not in use or when changing pilots.
- Keep hair, clothing, and loose items away from moving parts to prevent entanglement.
- Do not use the trimmer for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have a clean, flat surface for installation.
- Securely mount the trimmer to the work surface using the provided hardware.
- Confirm that the trimmer is stable and will not move during operation.

### 2. Using the Trimmer:

- Select the appropriate pilot for the case you are trimming.
- Insert the pilot into the trimmer according to the instructions provided in the product manual.
- Adjust the trimming length as needed using the adjustment mechanism.
- Place the case into the trimmer, ensuring it is properly aligned and secure.
- Turn on the trimmer and begin the trimming process, maintaining a safe distance from the cutting area.
- Once finished, turn off the trimmer and remove the trimmed case carefully.

### 3. Maintenance:

- Regularly clean the trimmer to remove any debris or residue.
- Inspect the pilots and cutting mechanisms for wear and replace them as necessary.

- Store the trimmer in a dry, safe place when not in use.

## **Disposal Instructions**

- Dispose of the trimmer and any associated components in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste.
- Consider recycling options for metal and plastic components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided in the product packaging or manual.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Lyman Universal Trimmer with 9 Pilot MultiPak.
