NECK TURNING FEELER GAGE SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the NECK TURNING FEELER GAGE SET from Sinclair International. This product is designed to assist in precise neck turning for reloading ammunition. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the NECK TURNING FEELER GAGE SET with care to avoid injury.
- Ensure that the workspace is clean and free of clutter before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the gage set for any signs of damage or wear before use.
- If you notice any defects, do not use the product and contact the manufacturer for guidance.
- Be aware of your surroundings and ensure that no one is near you while using the gage set.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from potential debris.
- Avoid wearing loose clothing or jewelry that may get caught in the gage set during operation.
- Do not force the gage set beyond its intended use; follow the manufacturer's guidelines for operation.
- Always maintain a firm grip on the gage set while using it to prevent slips and accidents.
- Ensure that the gage set is used on a stable surface to prevent tipping or falling.
- Do not use the gage set if you are tired or under the influence of substances that may impair your judgment or coordination.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a clean and welllit workspace.
- Gather all necessary tools and materials before starting.

2. Installation:

- Carefully unpack the NECK TURNING FEELER GAGE SET from its packaging.
- Inspect all components for damage or defects.
- Follow the manufacturer's instructions to assemble the gage set if required.

3. Usage:

- Adjust the gage set according to the specifications needed for your project.
- Place the gage set securely on the material you are working with.
- Turn the gage set slowly and steadily, applying even pressure throughout the process.
- After use, clean the gage set to remove any debris or residue.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the gage set becomes damaged beyond repair, follow local guidelines for the disposal of metal and

plastic materials.

- Do not dispose of the gage set in general waste if it contains hazardous materials; check local disposal regulations for proper procedures.

Contact Information for Further Support

For any inquiries regarding the NECK TURNING FEELER GAGE SET, please refer to the manufacturer's contact point provided on the packaging or the official website.

By following these safety instructions, you can help ensure a safe and effective experience with your NECK TURNING FEELER GAGE SET. Thank you for your attention to safety!
