

# NECK TURNING CASEHOLDERS - NECK TURNING CASE HOLDER, #7, 338 LAPUA MAGNUM

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Accessories](#)

The Sinclair Driver and Caseholder system is designed to hold and turn your case while you are neck turning, cleaning case necks or case mouth deburring. The caseholders and driver are machined from stainless steel, and the driver has a 1/4" hex shaft for use in power screwdrivers or low speed drill motors. The driver is universal to the Sinclair system and will work with all the caseholders. Our Universal Caseholder enables you to use this system with our Sinclair Stainless Shell Holders listed on page 29. Select the appropriate shell holders for your favorite cartridges.. The Universal Caseholder works with the same #05-200 driver as our original caseholders, and it is available as a "kit" with the Driver and Universal Caseholder or individually for those who already have a driver. Remember to order the Sinclair Stainless Shell Holders for your Universal Caseholder if you don't already have them. This system is a great, inexpensive way to speed up the neck turning process. Also works great for many other case prep operations.\*\*NOTE: When ordering case holders, you will need to order a case holder driver as they are sold separately.\*\*

# Safety Instruction Guide for NECK TURNING CASEHOLDERS NECK TURNING CASE HOLDER, #7, 338 LAPUA MAGNUM

## Introduction

Thank you for choosing the NECK TURNING CASEHOLDERS NECK TURNING CASE HOLDER, #7, 338 LAPUA MAGNUM. This product is designed to assist in neck turning, cleaning case necks, and case mouth deburring. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the working area is clean and free from any obstructions.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential risks include cuts from sharp edges and injuries from improper use of power tools.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not exceed the recommended speed when using power tools with the driver.
- Ensure the caseholder is securely attached to the driver before use.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the Sinclair Driver and Caseholder system.
- Attach the caseholder securely to the driver by following these steps:
  - Align the caseholder with the driver's hex shaft.
  - Push the caseholder onto the hex shaft until it clicks into place.

### 2. Usage:

- Insert the case into the caseholder.
- Use a power screwdriver or lowspeed drill motor to turn the caseholder.
- Monitor the process to ensure that the case is turning smoothly and securely.
- For neck turning, cleaning, or deburring, follow the specific instructions for each operation as needed.

### **3. PostUsage Care:**

- After use, clean the caseholder and driver to remove any debris or residue.
- Store the product in a dry and safe location, away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components if applicable.
- Ensure that any sharp edges are covered or disposed of safely to prevent injury.

## **Contact Information for Further Support**

- For any safety inquiries or assistance regarding the use of this product, please reach out to the manufacturer or your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with your NECK TURNING CASEHOLDERS NECK TURNING CASE HOLDER, #7, 338 LAPUA MAGNUM. Thank you for your attention to safety.
