

# ULTRALIGHT RINGS - 30MM HIGH 1.125" 4 SCREW ULTRALIGHT RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Designed to fit Mil-Std. 1913 scope bases, Nightforce rings are precisely manufactured to match the machined recess of a Nightforce Mil-Std. 1913 base, providing perfect alignment and accuracy. Nightforce rings are designed and produced in-house to exacting specifications entirely out of steel or from 7075-T6 aluminum with beta series titanium crossbolts and jaws. All Nightforce rings are 100% micro-radiused and honed in pairs for perfect fit of 30mm scope tubes to prevent the possibility of the rings damaging your scope.

# ULTRALIGHT RINGS 30MM HIGH 1.125" 4 SCREW Safety Instruction Guide

## Introduction

Thank you for purchasing the ULTRALIGHT RINGS 30MM HIGH 1.125" 4 SCREW from NIGHTFORCE. This guide provides essential safety instructions to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the rings are compatible with your scope and mounting system.
- Inspect the product for any visible damage or defects before use.
- Store the rings in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Always check that the rings are securely attached to the scope and the base before use.
- Avoid overtightening screws, as this may damage the rings or the scope.
- Do not modify or alter the rings in any way as this can compromise safety and performance.
- Use the rings only for their intended purpose with compatible scope tubes.
- If you notice any unusual wear or functionality issues, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare the Work Area:** Ensure you have a clean, flat surface to work on.
2. **Gather Tools:** You will need a suitable screwdriver for the screws provided.
3. **Align the Rings:** Place the rings on the scope base, ensuring they fit securely and align with the scope tube.
4. **Attach the Scope:** Carefully place the scope into the rings, ensuring it is properly aligned.
5. **Secure the Screws:** Tighten the screws gradually and evenly to avoid misalignment. Do not overtighten.
6. **Check Alignment:** Ensure the scope is level and aligned with your shooting position.

### Usage Instructions

- Always use the scope and rings in accordance with the manufacturer's guidelines.
- Regularly check the tightness of the screws and the alignment of the scope during use.
- Clean the rings with a soft, dry cloth to maintain their finish and functionality.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- If the product is damaged beyond repair, contact a local waste management service for proper disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or support related to the ULTRALIGHT RINGS, please refer to the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your ULTRALIGHT RINGS. Always prioritize safety and compliance with applicable laws and regulations. Thank you for choosing NIGHTFORCE.
