# SHELLHOLDERS LYMAN #2 SHELLHOLDER Safety Instructions

## Introduction

Thank you for choosing the SHELLHOLDERS LYMAN #2 SHELLHOLDER. This product is designed for reloading ammunition safely and effectively. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and prevent accidents.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the safety instructions before using the shellholder.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, while using the shellholder.
- Do not exceed the recommended cartridge specifications for the shellholder.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Avoid using the shellholder in wet or damp conditions to prevent slipping or electrical hazards.
- Do not modify the shellholder in any way, as this can compromise safety.
- Handle all ammunition components with care and follow standard reloading practices.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate shellholder based on the cartridge you are using (see the list of compatible cartridges).
- Insert the shellholder into the reloading press, ensuring it is securely in place.
- Tighten any screws or clamps according to the manufacturer's instructions.

### 2. Usage:

- Always doublecheck that the shellholder is properly installed before starting the reloading process.
- Place the cartridge case into the shellholder, ensuring it fits snugly.
- Follow the reloading press instructions for operating the machine.
- After reloading, carefully remove the cartridge from the shellholder and store it safely.

## Disposal Instructions

- Dispose of the shellholder according to local regulations regarding electronic and metal waste.
- Do not throw the shellholder in regular household waste.
- Consider recycling the shellholder if it is no longer usable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your product packaging or visit their official website for support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SHELLHOLDERS LYMAN #2 SHELLHOLDER. Thank you for prioritizing safety in your reloading practices.
