

ZEM SENSGARD HEARING PROTECTION - SENSGARD HEARING PROTECTION NRR31 DB

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

The Zem is a completely different approach to hearing protection which still enables you to hear conversations or range commands. The Zem units use patented "Sound chamber" technology to achieve an astounding NRR31DB noise reduction rating in a very small, lightweight and foldable unit. The really great feature is your ability to hear speech frequencies with great clarity while wearing the Zem. No muffs, batteries, electronics or control knobs. Made in the USA.

ZEM SENSGARD HEARING PROTECTION SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ZEM SENSGARD Hearing Protection. This product is designed to provide effective hearing protection while allowing you to hear conversations and commands clearly. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the instructions provided.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children to prevent misuse or accidents.
- Use the product only for its intended purpose as described in this manual.
- If you experience discomfort or any adverse effects while using the product, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure a proper fit: The ZEM units should fit snugly in your ears to achieve optimal noise reduction.
- Avoid exposure to loud noises without protection: While the ZEM allows you to hear speech, it is still important to protect your hearing in environments with high noise levels.
- Do not modify or alter the product: Any modifications may compromise its safety and effectiveness.
- Be cautious in unfamiliar environments: Always be aware of your surroundings, especially when using the product in public areas.

Instructions for Installation and Usage

1. Inserting the ZEM Units:

- Clean your hands before handling the units.
- Hold the ZEM unit by the stem and gently insert it into your ear canal.
- Ensure the unit is seated comfortably and snugly for optimal performance.

2. Removing the ZEM Units:

- Grasp the stem of the unit and gently pull it out of your ear.
- Avoid using sharp objects to remove the units as this may cause injury.

3. Cleaning and Maintenance:

- Wipe the exterior of the units with a damp cloth after each use.
- Store the ZEM units in a cool, dry place when not in use.
- Do not expose the units to extreme temperatures or moisture.

Disposal Instructions

- Dispose of the ZEM units in accordance with local waste disposal regulations.
- Do not throw the units in regular household waste if they are damaged or nonfunctional.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the ZEM SENSGARD Hearing Protection, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Please remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority, and we are here to help you enjoy the benefits of your ZEM SENSGARD Hearing Protection safely.
