

# LOCK-N-LOAD CASE PREP TRIO - SMALL PRIMER REAMER HEAD

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

The Case Prep Trio is one of Hornady's latest innovations to help you reduce the time spent preparing your brass, so you can spend more time at the range. This durable, three-in-one tool has a high-torque, low-speed motor powering separate tools to chamfer, deburr, and clean primer pockets at one, easy-to-use station. Inside and outside chamfer and deburring tools are provided, along with additional storage for pocket reamers, case neck brushes, or any other 8-32 thread tools (sold separately).

# LOCKNLOAD CASE PREP TRIO SMALL PRIMER REAMER HEAD Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD CASE PREP TRIO SMALL PRIMER REAMER HEAD. This innovative tool is designed to enhance your brass preparation while ensuring safe and efficient operation. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Ensure that the workspace is clean and free from clutter to avoid accidents.
- Use only the recommended accessories and attachments with this tool.
- Always unplug the tool when changing accessories or performing maintenance.
- Follow local regulations for the disposal of electrical products.

## Specific Safety Precautions for Use

- **Electrical Safety:**
  - Ensure the tool is compatible with your power supply (110V or 220V).
  - Do not use the tool in wet or damp conditions.
  - Avoid overloading the motor by adhering to recommended usage times.
- **Operational Safety:**
  - Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
  - Do not operate the tool if you are tired, under the influence of drugs or alcohol, or if you are not feeling well.
  - Keep hands and loose clothing away from moving parts during operation.
- **Tool Maintenance:**
  - Disconnect the tool from the power supply before cleaning or maintenance.
  - Store the tool in a dry, secure place when not in use.
  - Regularly check and clean the chamfer, deburr, and primer pocket tools to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Setting Up the Tool:

- Unpack the LOCKNLOAD CASE PREP TRIO and ensure all components are included.
- Place the tool on a stable, flat surface in a welllit area.
- Connect the tool to the appropriate power supply (110V or 220V).

### 2. Using the Tool:

- Select the appropriate reamer head for your brass preparation needs (chamfer, deburr, or primer pocket cleaning).
- Turn on the tool using the power switch and allow it to reach operational speed.
- Gently insert the brass case into the selected tool, ensuring a secure fit.
- Apply light pressure to guide the brass through the tool without forcing it.
- After use, turn off the tool and unplug it before changing attachments or performing maintenance.

### **3. PostUse Care:**

- Clean the tool and attachments after each use to prevent buildup of brass shavings and debris.
- Store the tool in its designated storage space, ensuring all attachments are secured.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electrical waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area for electrical products.

## **Contact Information for Further Support**

For any safety inquiries or support related to the LOCKNLOAD CASE PREP TRIO, please refer to the manufacturer's contact information provided with your product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the LOCKNLOAD CASE PREP TRIO SMALL PRIMER REAMER HEAD. Thank you for prioritizing safety in your brass preparation activities.
