# FLIP TOP PISTOL AMMO BOXES Safety Instructions

## Introduction

Thank you for choosing the FLIP TOP PISTOL AMMO BOXES by MTM CASEGARD. This product is designed to securely store and transport your ammunition. To ensure your safety and the safety of those around you, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle ammunition with care and store it in a secure location away from children and unauthorized users.
- Ensure the ammo box is used only for its intended purpose: storing and transporting ammunition.
- Regularly inspect the ammo box for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.
- For your safety, do not expose the ammo box to extreme temperatures or direct sunlight for extended periods.

## Specific Safety Precautions for Use

- Use the SnapLok latch to securely close the box when not in use.
- Keep the ammo box closed when not in use to prevent accidental opening.
- Do not overload the box beyond its capacity of 100 rounds.
- Ensure that the ammo box is placed on a stable surface when in use to prevent tipping or falling.
- Avoid using the ammo box in wet conditions to prevent damage to the contents.

## Instructions for Installation and Usage

### 1. Opening the Box:

- To open the ammo box, press the SnapLok latch and lift the lid gently.
- Ensure the lid is fully open before placing or removing ammunition.

### 2. Loading Ammunition:

- Place the ammunition into the box, ensuring it fits securely without forcing it.
- Do not exceed the capacity of 100 rounds.

### 3. Closing the Box:

- After loading or unloading, ensure the lid is closed securely by pressing down until the SnapLok latch clicks into place.

### 4. Transporting the Box:

- When transporting, hold the box securely to prevent it from dropping.
- Keep the box upright and avoid stacking heavy items on top of it.

## Disposal Instructions

- Dispose of the ammo box in accordance with local regulations.
- If the box is damaged beyond repair, consider recycling the materials where applicable.

- Do not dispose of ammunition in regular trash. Follow local guidelines for the disposal of ammunition.
