# FLIP TOP PISTOL AMMO BOXES Safety Instructions

## Introduction

Thank you for purchasing the FLIP TOP PISTOL AMMO BOXES by MTM CaseGard. This product is designed for safe and convenient storage of handgun ammunition. Please read this safety instruction guide carefully to ensure safe use and compliance with all relevant safety regulations.

## General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight.
- Keep the ammo box out of reach of children and unauthorized users.
- Inspect the ammo box regularly for any signs of damage or wear.
- Ensure the box is closed securely when not in use to prevent accidental opening.
- Follow all local laws and regulations regarding ammunition storage and handling.
- Do not use the ammo box for any purpose other than storing ammunition.

## Specific Safety Precautions for Use

- Handle ammunition with care to avoid accidental discharge.
- Ensure you are using the correct type of ammunition for your firearm.
- Do not overload the ammo box beyond its designated capacity of 100 rounds.
- Avoid exposing the ammo box to extreme temperatures or moisture.
- If you notice any unusual smells or signs of corrosion, discontinue use and dispose of the ammunition safely.
- Always wear appropriate eye and ear protection when handling or using firearms.

## Instructions for Installation and Usage

### 1. Loading the Ammo Box

- Open the fliptop lid of the ammo box.
- Carefully place the ammunition into the compartments, ensuring it is organized and not exceeding the 100round capacity.
- Close the lid securely until you hear a click to ensure the SnapLok latch is engaged.

### 2. Using the Ammo Box

- When transporting the ammo box, ensure it is secured in your vehicle to prevent movement.
- Always carry the ammo box in an upright position to avoid accidental opening.
- When at the shooting range, place the ammo box on a stable surface away from the firing line.

### 3. Cleaning and Maintenance

- Wipe the exterior of the ammo box with a damp cloth to remove any dirt or debris.
- Avoid using harsh chemicals that may damage the textured surface.
- Regularly check the mechanical hinge and latch for proper function.

## Disposal Instructions

- Dispose of the ammo box responsibly when it is no longer needed or if it becomes damaged.
- Follow local regulations for the disposal of plastic materials.

- For ammunition that is expired or has been damaged, consult local authorities for safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to the appropriate EUbased contact point for product safety. You can also report any unsafe products or accidents to the relevant authorities. Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly and safely!
