# Safety Instruction Guide for the Picatinny QD Bipod Adapter

## Introduction

Thank you for choosing the Sinclair International Picatinny QD Bipod Adapter. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your bipod adapter. Please read this manual carefully before use to help prevent accidents and injuries.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the bipod adapter.
- Inspect the adapter and bipod for any signs of damage or wear before each use.
- Do not exceed the weight limit specified for your bipod and adapter combination.
- Keep the adapter and bipod out of reach of children and unauthorized users.
- Use only the Sinclair Bipod with this adapter to ensure compatibility and safety.
- Be aware of your surroundings when using firearms and ensure a safe environment.

## Specific Safety Precautions for Use

- Ensure the Picatinny rail is clean and free from debris before installation.
- Do not force the adapter onto the rail; this may cause damage to both the adapter and the firearm.
- Regularly check the tightness of the adapter to prevent accidental detachment during use.
- Avoid using the bipod adapter in extreme weather conditions that may affect its performance.
- Always follow the manufacturer's guidelines for the specific bipod model being used.

## Instructions for Installation and Usage

### 1. Installation of the Adapter:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the Picatinny rail area where the adapter will be mounted.
- Align the adapter with the Picatinny rail and slide it into position.
- Securely tighten the attachment mechanism to ensure a firm connection.

### 2. Attaching the Bipod:

- With the adapter securely installed, align the bipod with the adapter.
- Press the bipod onto the adapter until it clicks into place.
- Ensure that the bipod is securely attached by gently pulling on it.

### 3. Detaching the Bipod:

- To remove the bipod, press the quickrelease mechanism on the adapter.
- Gently pull the bipod away from the adapter until it is fully detached.

### 4. Regular Maintenance:

- Periodically inspect the adapter and bipod for any signs of wear or damage.
- Clean the adapter and bipod with a soft, dry cloth to remove any dirt or debris.
- Store the adapter and bipod in a dry, cool place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and nonfood products.
- Do not dispose of the adapter in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information included with your product packaging. Ensure you have your product details ready when seeking assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Sinclair International Picatinny QD Bipod Adapter. Thank you for prioritizing safety.
