# LITTLE DANDY ROTOR CHARGE RCBS LITTLE DANDY ROTOR CHARGE #17 Safety Instructions Guide

## Introduction

Thank you for choosing the LITTLE DANDY ROTOR CHARGE #17 by RCBS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before using the product to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product before use to ensure it is in good condition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on any recall notices regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the LITTLE DANDY ROTOR CHARGE only with compatible powders and materials as specified by the manufacturer.
- Avoid using the product in damp or wet conditions to prevent electrical hazards.
- Do not exceed the recommended charge limits to avoid dangerous overloading.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling powders.
- Ensure proper ventilation in your workspace to avoid inhalation of dust or fumes.
- Never attempt to modify or alter the product in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Place the LITTLE DANDY ROTOR CHARGE on a stable, flat surface to prevent tipping.
- Ensure that the area is clean and free from clutter to avoid accidents.
- Follow the manufacturer's instructions for attaching any accessories or components.

### 2. Usage:

- Measure the desired powder charge by selecting the appropriate rotor.
- Carefully pour the powder into the rotor, avoiding spills.
- Use a funnel if necessary to ensure accurate pouring.
- After measuring, securely close the powder container to prevent contamination.
- Always doublecheck the charge before using it in your reloading process.
- Clean the rotor after each use to maintain accuracy and prevent residue buildup.

## Disposal Instructions

- Dispose of any unused powders and materials in accordance with local regulations.
- Do not dispose of powders in regular household waste.
- Follow the manufacturer's guidelines for the safe disposal of the product and its components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the LITTLE DANDY ROTOR CHARGE #17, please consult the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety instructions. Your safety is our top priority.
