## Safety Instructions

### Introduction

Thank you for choosing the Hornady® LockNLoad® 1911 Auto™ Primer Tube Filler. This product is designed to enhance your handloading experience by speeding up primer tube filling times. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Ensure that the workspace is clean and free of obstructions while using the product.
- Do not modify or alter the product in any way.
- Report any unsafe conditions or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Electrical Safety:**
  - Use only the recommended AAA batteries. Do not mix old and new batteries.
  - Remove batteries when the device is not in use for an extended period.
- **Ergonomics:**
  - Hold the ergonomic handle firmly while operating to prevent slipping.
  - Position the tray at the correct angle to avoid spills or accidents.
- **Vibration:**
  - Be aware that the 13,000 RPM vibration motor can produce noise and movement. Ensure that the device is stable during operation.
- **Primers Handling:**
  - Handle primers with care to avoid accidental ignition.
  - Do not overfill the primer tube beyond the specified count.

### Instructions for Installation and Usage

#### 1. Installation:

- Insert 2 AAA batteries into the compartment as indicated by the polarity markings.
- Ensure the battery compartment is securely closed before use.

#### 2. Filling the Primer Tube:

- Place the empty primer tube in the designated holder.
- Load primers into the tray, ensuring they are aligned correctly.
- Press the activation button to start the filling process.
- Monitor the filling to ensure it is proceeding smoothly. If any issues arise, stop the device immediately.

#### 3. PostUse:

- Once the primer tube is filled, turn off the device.
- Remove the filled primer tube carefully.
- Clean the device as per the manufacturer's recommendations to maintain performance.

## **Disposal Instructions**

- Dispose of batteries in accordance with local regulations for hazardous waste.
- If the product is no longer functional, check with local waste management for proper disposal methods.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Hornady® LockNLoad® 1911 Auto™ Primer Tube Filler, please refer to the manufacturer's website or contact their customer support team directly.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your handloading experience!
