

30 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 168GR PTBT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

Safety Instruction Guide for 30 Caliber Tipped MatchKing Bullets

Introduction

Thank you for choosing the Sierra 30 Caliber Tipped MatchKing Bullets. This guide provides essential safety information to ensure the safe handling, usage, and disposal of this product. Please read and follow these instructions carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users are familiar with safe firearm handling practices.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Do not use bullets that show signs of damage or corrosion.
- Always use appropriate personal protective equipment (PPE) when handling ammunition.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always handle bullets with care and avoid dropping or damaging them.
- Only use bullets in firearms that are specifically designed for 30 caliber ammunition.
- Ensure that the firearm is unloaded when inserting or removing bullets.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using Tipped MatchKing bullets for hunting larger game; they are designed for precision shooting and not for explosive expansion on small varmints.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

• Installation:

1. Ensure the firearm is pointed in a safe direction and is unloaded.
2. Open the magazine of the firearm.
3. Carefully insert the Tipped MatchKing bullet into the chamber or magazine according to the firearm's specifications.
4. Close the magazine securely.

• Usage:

1. Always follow the manufacturer's instructions for your specific firearm.
2. Ensure that you are in a designated shooting area that complies with local laws and regulations.
3. Use appropriate shooting techniques to maintain accuracy and safety.
4. After use, ensure that all spent casings are collected and disposed of properly.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local waste management for hazardous waste disposal options.
- Ensure that all spent casings are collected and disposed of in a safe manner.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please consult the manufacturer's website or contact your local distributor. Always ensure you have the latest information regarding safety recalls or product updates.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Sierra 30 Caliber Tipped MatchKing Bullets. Thank you for prioritizing safety!
