

# 30 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 155GR PTBT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

## Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 155GR PTBT 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749016113
- Mfr. No.: 7755C
- Ballistic Coefficient (G1): -
- Brand Style: -
- Bullet Style: Tipped MatchKing (TMK)
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 155
- Sectional Density: -
- Quantity: 500
- Delivery weight: 5.103kg
- UPC: 092763577554

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 30 Caliber Tipped MatchKing Bullets

## Introduction

Thank you for choosing the 30 Caliber Tipped MatchKing Bullets from Sierra Bullets. This guide provides essential safety information and instructions to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with firearm safety protocols.
- Only use this product in firearms that are specifically designed for 30 caliber ammunition.
- Store the bullets in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized persons.
- Always follow local laws and regulations regarding the use and storage of ammunition.
- Regularly check for updates on product recalls and safety notices.

## Specific Safety Precautions for Use

- Use appropriate protective gear, including safety glasses and hearing protection, when handling and firing ammunition.
- Inspect the bullets for any visible defects or damage before use. Do not use damaged bullets.
- Avoid mixing different types or brands of ammunition in the same magazine.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before loading bullets.
- Familiarize yourself with the firearm's manual for specific loading instructions.

### 2. Loading the Bullets:

- Carefully load the Tipped MatchKing bullets into the magazine according to the firearm's specifications.
- Ensure that the bullets are seated properly and securely.

### 3. Firing:

- Always maintain proper shooting posture and grip on the firearm.
- Follow standard firing procedures and protocols.
- After firing, wait a few moments before checking the firearm to ensure no misfires.

### 4. PostUse Care:

- Clean the firearm after use to maintain optimal performance and safety.
- Store the bullets and firearm securely to prevent unauthorized access.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact the relevant EUbased support services.

By following these guidelines, you ensure the safe use of the 30 Caliber Tipped MatchKing Bullets while adhering to the safety standards set forth by the EU GPSR. Always prioritize safety and responsible usage when handling firearms and ammunition.
