

# **ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS - ELD MATCH 6.5MM (0.264") 140GR POLYMER TIP 100/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

HORNADY ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS ELD® Match (Extremely Low Drag Match) bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield® tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet to bullet, lot to lot. Superior accuracy and industry leading ballistic design has been achieved with the ELD Match bullet. An optimum secant ogive and boattail design along with the Heat Shield tip produce a bullet with the highest possible ballistic coefficient in its class. **PRODUCT FEATURES** **THE PERFECT TIP** The Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to provide a perfect meplat (tip) that is always the same shape. The patented DVRT™ (Drag Variability Reduction Technology) increases bullet drag uniformity for less dispersion and smaller groups at longer ranges. **BULLET SHAPED FOR ACCURACY** Along with the Heat Shield® tip, the streamlined secant ogive with optimum boattail design and highly concentric AMP® bullet jackets combine for remarkable accuracy and best-in-class BCs. **BEST-IN-CLASS BCS** ELD® Match bullet BCs are measured and verified by Doppler radar and corrected to standard atmospheric conditions. **SWAGED LEAD CORE FOR UNIFORMITY** ELD® Match bullets feature a precision swaged lead core, which provides consistent uniformity and contributes to the bullet's aerodynamics and accuracy, even at extended ranges.

## **Attributes**

- Name: [ELD MATCH 6.5MM \(0.264"\) 140GR POLYMER TIP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016366
- Mfr. No.: 26331
- Ballistic Coefficient (G1): 0.646
- Ballistic Coefficient (G7): 0.326
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 6.5mm,264 Caliber
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 100
- Delivery weight: 0.953kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 102mm
- UPC: 090255263312

# ELD MATCH 6.5MM Rifle Bullets Safety Instruction Guide

## Introduction

Thank you for choosing ELD MATCH 6.5MM Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe usage of ELD MATCH bullets. Follow all instructions and safety precautions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If you purchase this product online, ensure that the seller meets all safety requirements.
- **Special Consumer Focus:** Extra care should be taken to keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Always handle bullets with care.** Treat them as potentially dangerous items.
- **Store bullets in a secure location,** away from children and unauthorized users.
- **Do not expose bullets to extreme temperatures** or humidity, as this may affect their performance.
- **Use appropriate protective gear** (e.g., safety glasses and hearing protection) when handling or using the bullets.
- **Follow the manufacturer's loading data** for safe and accurate ammunition development.
- **Never use damaged or deformed bullets.** Inspect them before use and discard any that appear compromised.
- **Ensure your rifle is in good working order** and compatible with the bullets before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment.
- Wear appropriate safety gear.

### 2. Loading the Bullets:

- Use a reliable reloading press and follow the manufacturer's instructions.
- Refer to the appropriate loading data for ELD MATCH bullets to determine the correct powder charge and seating depth.

### 3. Firing the Bullets:

- Ensure the rifle is pointed in a safe direction.
- Check the surrounding area for safety before firing.
- Follow all standard shooting range rules and regulations.

#### 4. PostUse Care:

- Clean the rifle after use to maintain its condition and performance.
- Store any remaining bullets in a secure and dry location.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local hazardous waste disposal facilities for guidance on safe disposal methods.

## Contact Information for Further Support

For any inquiries regarding the safety and use of ELD MATCH 6.5MM Rifle Bullets, please refer to the manufacturer's contact details provided with your product packaging or visit their official website.

By following these guidelines, you can ensure a safer experience when using ELD MATCH 6.5MM Rifle Bullets. Always prioritize safety and stay informed about best practices.
