

# NECK SIZER DIES - RCBS 6.5MM CREEDMOOR NECK SIZER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing dies size only the case neck of the cartridge - not the shoulder or the case body. Use neck dies when cases are fired in the same rifle and a close cartridge case to chamber fit is desired. The neck die will size the neck, decap the spent primer, then size for correct bullet tension with the expander ball. Neck dies come in an RCBS plastic die box and will fit all 7/8 to 14 reloading presses.

## Attributes

- Name: [RCBS 6.5MM CREEDMOOR NECK SIZER DIE](#)
- Manufacturer: [RCBS](#)
- Product no.: 749016600

# NECK SIZER DIES RCBS 6.5MM CREEDMOOR NECK SIZER DIE Safety Instruction Guide

## Introduction

Thank you for choosing the NECK SIZER DIES RCBS 6.5MM CREEDMOOR NECK SIZER DIE. This product is designed for safe and effective use in the reloading of ammunition. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe products or incidents to local authorities.

## Specific Safety Precautions for Use

- Only use the NECK SIZER DIES RCBS 6.5MM CREEDMOOR NECK SIZER DIE with compatible reloading presses (7/8 to 14).
- Do not attempt to modify or alter the die in any way.
- Ensure that the die is securely mounted to the reloading press before use.
- Avoid overtightening the die, as this can cause damage or malfunction.
- Use only the appropriate cartridge cases for neck sizing to ensure a proper fit and function.
- Be aware of the potential for lead exposure when handling spent primers and bullets; follow local regulations for safe handling and disposal.

## Instructions for Installation and Usage

### 1. Installation

- Remove the die from its packaging and inspect for any damage.
- Securely mount the die into the reloading press according to the manufacturer's instructions.
- Ensure that the die is aligned properly with the press to avoid misalignment during operation.

### 2. Usage

- Place the cartridge case into the shell holder of the reloading press.
- Raise the ram to bring the case into contact with the die.
- Turn the handle to size the neck of the cartridge case.
- After sizing, lower the ram and remove the cartridge case from the shell holder.
- Inspect the sized neck for proper tension and fit before proceeding with reloading.

## Disposal Instructions

- Dispose of any spent primers and excess materials in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, check with local recycling programs for proper disposal methods.
- Always ensure that any hazardous materials are handled and disposed of safely to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the NECK SIZER DIES RCBS 6.5MM CREEDMOOR NECK SIZER DIE, please refer to the manufacturer's support resources.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the NECK SIZER DIES RCBS 6.5MM CREEDMOOR NECK SIZER DIE. Always prioritize safety and adhere to the recommended practices to minimize risks. Thank you for your attention to these important safety considerations.
